## **Surviving A Japanese Pow Camp:**

*Surviving a Japanese Internment Camp* Rupert Wilkinson, 2013-12-03 During World War II the Japanese imprisoned more American civilians at Manila's Santo Tomas prison camp than anywhere else along with British and other nationalities. Placing the camp's story in the wider history of the Pacific war, this book tells how the camp went through a drastic change from good conditions in the early days to impending mass starvation before its dramatic rescue by U.S. Army flying columns. Interned as a small boy with his mother and older sister, the author shows the many ways in which the camp's internees handled imprisonment and their liberation afterwards. Using a wealth of Santo Tomas memoirs and diaries plus interviews with other ex-internees and veteran army liberators, he reveals how children reinvented their own society while adults coped with crowded dormitories, evaded sex restrictions, smuggled in food, and through a strong internee government dealt with their Japanese overlords. The text explores the attitudes and behavior of Japanese officials ranging from sadistic cruelty to humane cooperation and asks philosophical questions about atrocity and moral responsibility.

*Surviving a Japanese P.O.W. Camp* Peter R. Wygle, Robert Howard Wygle, 1991 This is a touching and sometimes humorous story of an American family's survival in a Japanese internment camp during World War II. Eleven-year-old Peter Wygle's story and his father's diary create a poignant adventure that reads like a novel. This is a compelling story of the struggle to survive when the enemies were not only the Japanese but also some fellow prisoners.

*Digger's Story* David Barrett, Brian Robertson, 2024-03-28 How do you survive with your beaten, starved, and humiliated as a prisoner of war in a camp on the Thai-Burma Railway? You stick together. That's what you do, says David Digger Barrett. You scam, lie, steal, cheat, and hate the bastards with as much energy as you love and protect your mates. David Digger Barrett was given his nickname at an early age by his father. It was prophetic as an eighteen-year-old looking for fun and adventure, he enlisted as a private and served in World War II. After surviving the Malayan campaign, he would spend over three years as a Japanese prisoner of war. It would take Digger more than fifty years to rid his mind of the hate he had for the guards of the Imperial Japanese Army. His story of courage, mateship, and survival takes him from the prison camps of Thailand and Burma to the fight for reparations for all Australian POWs of the Japanese.

*Apocalypse Undone* Preston John Hubbard, 1990 *Apocalypse Undone* recounts Preston Hubbard's four and a half year odyssey from a young idealistic CCC worker to a much older, troubled man full of contempt for war and those who make it. He survived the Bataan Death March, imprisonment at Camp O'Donnell where the death rate exceeded 400 a day, a jungle work detail on Tayabas Isthmus, the starvation diet of Manila's Bilibid Prison, a 17-day voyage to Japan on a Hell Ship, and a Japanese POW camp bombed by American planes.

*Survival in Japanese POW Camps with Changkol and Basket* Ernest G. Darch, 2000

**Surviving the Day** Frank J. Grady, Rebecca Dickson, 1997 Frank Grady's remarkable account of his years as a prisoner of war—his capture, his interrogations, his labor, his survival strategies—offers a riveting portrayal of the heroic efforts required to outlast a hellish war. As head of the U.S. Army's cryptography department,

in the Philippines handling all incoming and outgoing messages for generals Douglas MacArthur and Jonathan Wainwright Grady was of special interest to the Japanese when captured in the spring of 1942 His memoir describes his first months as a POW in the infamous Cabanatuan camp and his subsequent transfer to Japan where he attempted to outwit his interrogators about American cryptographic techniques This book is more than the story of one man s survival It is a moving account of wartime conditions that brought out the best and the worst in the prisoners guards and Japanese civilians Grady perceptively depicts the uglier dimensions of human nature betrayal cowardice greed and wanton viciousness but also celebrates the tenacity intelligence compassion and determined good spirits that kept him and hundreds of other American prisoners alive in spite of severe malnourishment From a murderous camp commander who was tried and hanged after the war to a kind civilian woman Grady came into direct contact with far more Japanese than did most POWs and he relates these encounters in detail One of few Americans who saw Tokyo after the firebombing of March 1945 he also offers a personal glimpse of the destruction of the city An unusual climax to the memoir comes when his own camp near the port town of Kamaishi is unknowingly destroyed by the U S Navy

Prisoners in Paradise Theresa Kaminski,2000 Draws on letters diaries of American wives missionaries teachers nurses and spies to uncover their heroic tales while captives of the Japanese during World War II

Voices from Captivity Robert C. Doyle,1994 Doyle shows that though setting and circumstances may change POW stories share a common structure and are driven by similar themes Capture incarceration isolation propaganda torture capitulation or resistance death spiritual quest escape liberation and repatriation are recurrent key motifs in these narratives
