Carney, 2012-09-14 Most of today's familiar fairy tales come from the stories of Charles Perrault the Brothers Grimm and Hans Christian Andersen but this innovative study encourages us to explore the marvelous tales of authors from the early modern period Giovanni Straparola Giambattista Basile Madame Marie Catherine D'Aulnoy and others whose works enrich and expand the canon As author Jo Eldridge Carney shows the queen is omnipresent in these stories as much a hallmark of the genre as other familiar characteristics such as the number three magical objects and happy endings That queens occupy

such space in early modern tales is not surprising given the profound influence of so many powerful queens in the political landscapes of early modern England and Europe Carney makes a powerful argument for the historical relevance of fairy tales and by exploring the dynamic intersection between fictional and actual queens shows how history and folk literature mutually enrich our understanding of the period The Pacific Reporter ,1910 Comprising all the decisions of the Supreme Courts of California Kansas Oregon Washington Colorado Montana Arizona Nevada Idaho Wyoming Utah New Mexico Oklahoma District Courts of Appeal and Appellate Department of the Superior Court of California and Criminal Court of Appeals of Oklahoma varies *Understanding Business Offenders* Petter Gottschalk,Christopher Hamerton,2024-12-01 Focusing on understanding business offenders through an exploration of workplace deviance and crime this book closely examines a number of illustrative contemporary case studies and underpins the analysis of original comparative fieldwork with an interdisciplinary approach which informs develops and augments the existing literature on white collar criminology The book contends inter alia that the traditional centrality of the individual actor within narratives of white collar offending has receded somewhat in recent years despite being a founding artifact within its late twentieth century discourse and that therefore a detailed reassessment is overdue **Susan Slutt, Girl Shamus** Kate Emburg,2011-05 Who s the world famous girl sleuth who solves all sorts of queer mysteries with the help of a butch tomboy her feminine friend and two boy detectives named Frank and Joe If you guessed Nancy Drew you re wrong Meet Susan Slutt the hottest schoolgirl shamus since the invention of jalapeno flavored edible underwear In this collection of cases Susan gets down and dirty while investigating a messy Fracas at the Fudge Factory She travels to Switzerland to join The Search for the World s Biggest Icehole where she faces another puzzle Is that a snake in Frank Baccardi s pants or is he happy to see her But Susan s greatest challenge confronts her in Hawaii when she discovers The Secret of the Golden Dildo Among the baffling riddles Is it possible to find an eighteen year old virgin in Hawaii What is the life of one girl even one with really great knockers compared to all the riches of the universe More important if Susan dies can Butch have her room and finally stop sleeping in the yard and eating from a dog dish The excitement builds to a volcanic climax as Susan s life is threatened Butch s sanity is threatened and Susan s bra straps are threatened by the weight of her massive mammaries You ll laugh you ll cry you ll get turned on by these timeless tales of dazzling detectives female friendship and male bondage uh bonding Contains the stories The Case of the Borrowed Bungalow The Unfinished Beer The Password to Delphinium Drive The Search for the World s Biggest Icehole The Dreadful Revenge Secret of the Golden Dildo The Mystery at Honey Suckle s Manor In the Shadow of the Hunchback The Crooked Boner The Floating Saucer Mystery Fracas at the Fudge Factory The Phantom of the Porkerville Public Library The Clue in the Cracking Wall The Secret of Red Gateless Farm **The Motion Picture Guide** Jay Robert Nash,Stanley Ralph Ross,1985 *Iris* ,2004 *TJL*, *the Times Literary Supplement* ,1981 **The Adventures of Susan Slut** Kate Emburg,William Land,Melanie Knight,2000-09-01 Susan Super Sleuth William Ettridge,Piotrowski, Laura,1979 Susan
