DeVito, 2014-01-13 Covers the essentials of public speaking This popular public speaking text is a concise yet comprehensive exploration of the basic principles of public speaking focusing on the essentials that a beginning student needs to know to prepare and deliver a speech Research methods critical thinking and ethics are all emphasized and presented in unique ways Briefer than many mainstream public speaking texts The Essential Elements of Public Speaking helps students master key skills as quickly and efficiently as possible MyCommunicationLab is an integral part of the DeVito program MediaShare allows students to post speeches and share them with classmates and instructors Interactive videos provide students with the opportunity to watch and evaluate sample speeches Online self assessments and pre and post tests help students assess their comfort level with public speaking and their knowledge of the material ALERT Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN Several versions of Pearson's MyLab check with the seller before completing your purchase Used or rental books If you rent or purchase a used book with an access code the access code may have been redeemed previously and you may have to purchase a new access code Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code Check with the seller prior to purchase *The SAGE Encyclopedia of Communication Research Methods* Mike Allen, 2017-04-11

Communication research is evolving and changing in a world of online journals open access and new ways of obtaining data and conducting experiments via the Internet Although there are generic encyclopedias describing basic social science research methodologies in general until now there has been no comprehensive A to Z reference work exploring methods specific to communication and media studies Our entries authored by key figures in the field focus on special considerations when applied specifically to communication research accompanied by engaging examples from the literature of communication journalism and media studies Entries cover every step of the research process from the creative development of research topics and questions to literature reviews selection of best methods whether quantitative qualitative or mixed for analyzing research results and publishing research findings whether in traditional media or via new media outlets In addition to expected entries covering the basics of theories and methods traditionally used in communication research other entries

discuss important trends influencing the future of that research including contemporary practical issues students will face in communication professions the influences of globalization on research use of new recording technologies in fieldwork and the challenges and opportunities related to studying online multi media environments Email texting cellphone video and blogging are shown not only as topics of research but also as means of collecting and analyzing data Still other entries delve into considerations of accountability copyright confidentiality data ownership and security privacy and other aspects of conducting an ethical research program Features 652 signed entries are contained in an authoritative work spanning four volumes available in choice of electronic or print formats Although organized A to Z front matter includes a Reader s Guide grouping entries thematically to help students interested in a specific aspect of communication research to more easily locate directly related entries Back matter includes a Chronology of the development of the field of communication research a Resource Guide to classic books journals and associations a Glossary introducing the terminology of the field and a detailed Index Entries conclude with References Further Readings and Cross References to related entries to guide students further in their research journeys The Index Reader s Guide themes and Cross References combine to provide robust search and browse in the e version

Essentials of Public Speaking Robert I. Fulton, 2015-06-02 Excerpt from *Essentials of Public Speaking For Secondary Schools* The growth of interest in public speaking in the secondary schools throughout the United States during the past decade has been phenomenal The principal high schools and academies are not only supporting vigorous debating societies and oratorical associations but are engaging in friendly contests in debate and oratory with their rivals This has led to a demand for systematic instruction in the fundamentals of good reading and good speaking and leading secondary schools recognizing this demand are establishing courses to that end The aim of the authors of this volume is to meet this need to present sufficient instruction for practical purposes and not to overburden the student with too extended discussions of the philosophy of expression It has been the endeavor to discuss simply and to the point the essential elements of good delivery to give short illustrations for applying the principles and then to provide whole selections for practice We have tried so to simplify instruction that the average teacher who has been chosen to do this work whether he has had extended technical instruction or not shall be able to acquire sufficient skill from the discussions contained in these pages to become of material service to young students of public speaking We have followed mainly our plan published in 1893 in the *Practical Elocution* and we trust that this never and simpler treatment designed for younger students will add interest to the study of the elements of effective delivery and inspire confidence in those who would acquire proficiency in the art of persuasive speaking About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition

We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Public Speaking Skills Jennifer White,2015-01-07 A conversation commits partial an detail Public speaking isn t something that sweat even at the prospect of speaking to a handful of people Why a group some of us stammer and become nervous even when they have to speak to an unfamiliar person on a one on one basis But if you take care of a few things public speaking won t be all that difficult These book gives few tips that will guide you

Public Speaking Skills for Success Mark Marshall,2021-02-18 You might be wondering whether you should be concerned with public speaking or not Are you scared of public speaking or do not know how to go about it Public speaking has some very genuine benefits that will support you throughout your career and private life You need not to be afraid anymore your companion is here This book will guide you through the tools for success as you embark on and develop skills in your public speaking journey The content inside this rich beginner s guide includes the following Importance of public speaking Dealing with nervousness Speech communication process How to prepare for public speaking How to deliver the speech And so much more Public speaking is so essential to the extent that your career advancement your company expansion and your interactions with friends and relatives depend on it It may be the decisive aspect in many instances in your life Public speaking may not actually mean that you give real speech addresses If you chair a conference offer a sales persuasive speech or share a narrative in front of any audience you are practicing public speaking and you are the right candidate for this book Public speaking is not just important for you but essential and as such it is an ability worth acquiring and developing Be guided accordingly with the essential tools in this book and your success is guaranteed

Shut Up and Speak! John Sheirer,2002-11-01 Why does your mouth suddenly go dry your throat tighten your face get hot and your knees buckle when you have to address a group of people The old story goes that more people are afraid of public speaking than they are of death So people at a funeral would prefer to be the person in the casket than the person delivering the eulogy Shut up and speak means that you must stop dwelling on how difficult or frightening public speaking is Shut up and speak means that you can t become a better public speaker simply by studying communications theory or relying on public speaking folk wisdom This book gives you the guidance to shut up by tuning out all of the interference that doesn t help you become a better public speaker and to speak by throwing yourself whole heartedly into speech making
