literal reading of the Bible is so far removed from these original Jewish authors intent that it is an act of heresy Using the Gospel of Matthew as a guide Spong explores the Bible s literary and liturgical roots its grounding in Jewish culture symbols icons and storytelling tradition to explain how the events of Jesus life including the virgin birth the miracles the details of the passion story and the resurrection and ascension would have been understood by both the Jewish authors of the various gospels and by the Jewish audiences for which they were originally written Spong makes clear that it was only after the church became fully Gentile that readers of the Gospels took these stories to be factual distorting their original meaning In Biblical Literalism A Gentile Heresy Spong illuminates the gospels as never before and provides a better blueprint for the future than where the church s leaden and heretical reading of the story of Jesus has led us one that allows the faithful to live inside the Christian story in the modern world      **Onward** ,1900      **The Children's Encyclopedia** Arthur Mee,1910
