Straight Talk on Tough Topics Chris Jackson, 1996 Tough topics. They stare young adults in the face every day. Racism. Crack cocaine. Babies having babies. Gansta rappers glorifying mindless violence and loveless sex. These are just a few of the pieces of a shattered society, pieces sharp enough to cut the young people you work with. Reverend Chris Jackson knows about the tough topics youth face. For over a decade he's helped young African American adults work through the temptations, decisions, heartbreaks, and obstacles posed by today's culture. In *Straight Talk on Tough Topics* he gives frank answers that can make the difference in young lives. Packed with pointed information, questions to get your young people thinking and talking, and Scripture references that will help them build a solid foundation on God's Word, this is a handbook for wise, fruitful, and satisfying living. Turn to it when the topic your kids are dealing with is tough for wisdom you can count on to steer them in the right directions.
