## Strange Maine:

**Strange Maine** Michelle Y. Souliere, 2012-05-22 Maine is well known as a land of fresh air and clean water as the home of L L Bean and as one of the most popular camping and outdoor recreation destinations in the country But what lies behind this idyllic facade Unmapped roads Whispering rocks Deadening fog Ghost pirates Lonely islands THINGS in the woods This is the great state of Maine home of Stephen King land of the Great Northern Woods and all the mystery that lies within their dark footprint What better setting than this for tales of strange creatures murderers madmen and eccentric hermits From the Headless Halloween of 1940 to the mystery of who lies in the grave of V P Coolidge from Bigfoot sightings to the witch s grave in a Portland cemetery writer and illustrator Michelle Souliere brings to life these strange but true tales from the Pine Tree State

Bigfoot in Maine Michelle Souliere, 2021 The dark woods of Maine have been the setting for many eerie and unexplained events none more captivating than sightings of a giant hominid known as Bigfoot But what makes this corner of New England such a perfect place for this cryptid to live Learn about the ecology and geography that support the legend and meet the people forever changed by close encounters with it From previously unpublished eyewitness accounts to modern day media portrayals author and illustrator Michelle Souliere presents this detailed history of the phenomenon and folklore that has lurked in shadows for generations
