Strangers To Their Courage:

The Courage of Innocence E. Alan Roberts, 2013-09-16 When she is deceived by her Uncle and sold to the Temple of Phileros as the Initiate Virgin Eunice the Pastor's Daughter is confronted with the intrigues of paganism that seek to destroy her virginity and her Christian faith Trophemus her cousin vows to do everything possible to obtain her release from the Temple while the High Priest continually adds extra tasks to be achieved in order to frustrate him in his quest The clash of Christian faith and behaviour with the promiscuous freedom of other religious cults are the battles both for Eunice and Trophemus *The Sporting review*, ed. by 'Craven'. John William Carleton, 1865 Schutzhund Susan Barwig, 1991-03-01 Schutzhund is one of the fastest growing forms of canine competition in the United States The desire to have a reliable protector and steady family companion all in the same dog has encouraged interest in the Schutzhund philosophy Schutzhund began in nineteenth century Europe as a test of a dog's ability to work for humans In the early 1900s Max von Stephanitz refined and redesigned the tests to include obedience protection and tracking Schutzhund Theory and Training Methods a superb explanation of Schutzhund and its components shows how obedience protection and tracking all play an integral part in training a Schutzhund dog Authors Barwig and Hilliard emphasize selection and raising of the dog to suit the owner's needs as well as crystallizing the goals and techniques in training for each phase of the process A unique format guides the reader first through an overview of each component and then into the philosophy and training techniques for all activities Beautifully organized and abundantly illustrated this book will allow the reader to tailor these training systems to suit individual needs producing a dog of value to many Schutzhund Theory and Training Methods is a volume essential to any obedience or Schutzhund fan's library **The Danger From Strangers** James D.
