Strategic Dimensions Of Economic Behavior Foreign Policy Issues:

Strategic Dimensions of Economic Behavior Gordon H. McCormick, Richard E. Bissell, 1984 In this book of popular history journalist Betsy Israel shines a light on the old stereotypes that have stigmatized single women for years and celebrates their resourceful sense of spirit enterprise and unlimited success in a world where it is no longer unusual or unlikely to be unwed Drawing extensively on primary sources including private journals newspaper stories magazine articles advertisements films and other materials from popular media Israel paints remarkably vivid portraits of single women and the way they were perceived throughout the decades From the nineteenth century spinsters of New England to the Bowery girls of New York City from the 1920s flappers to the 1940s working women of the war years and the career girls of the 1950s and 1960s single women have fought to find and feel comfortable in that room of their own One need only look at Bridget Jones and the Sex and the City gang to see that single women still maintain an uneasy relationship with the rest of society and yet they radiate an aura of glamour and mystery in popular culture

Jacket Latin American Foreign Policies: Global and Regional Dimensions Elizabeth G. Ferris, 2020-02-24 This collection of original essays takes a comprehensive look at Latin America's regional and global foreign policies The book begins with an assessment of the current state of research in the field followed by an overview of Latin American foreign policies and the political determinants of those policies Next an examination of the global policies of Brazil Cuba Mexico and Peru demonstrates differing theoretical perspectives and provides information for cross national comparisons The third section presents case studies of regional foreign policies in Argentina Brazil Chile Bolivia Venezuela Mexico Cuba and the Anglophone Caribbean nations In the concluding chapter the editors review the recurring themes in the book and propose a theory for the analysis of Latin American foreign policy behavior

Economics and Business, 1985 *Economic Books*, 1985 *Economic Targeting in Modern Warfare* Benjamin S. Lambeth, Rand Corporation, 1982 Nuclear weapons and strategies for their use play a variety of roles in the defense and foreign policies of the United States and Soviet Union Accordingly both nations buy forces and prepare war plans for many purposes Although it is perhaps the least likely contingency for which either country prepares the scenario in which both sides launch more or less all out attacks against their opponent's economic or urban industrial target system often dominates public consideration of strategic policy issues These kinds of strikes generically termed countervalue attacks are usually assumed to throw many thousands of nuclear weapons against cities and isolated facilities in order to destroy the adversary nation as an organized functioning and economically viable entity

The Rand Paper Series, *RAOP*, 1981 **Resources and Strategy** Ian O. Lesser, 1989-06-18 This study aims to show that current thinking about the role of resources in war and as a component of military potential in peacetime relies on notions derived from historical experience and changes in the nature of warfare not least the advent of nuclear weapons *Public Administration Series--Bibliography*, 1989-05 *A London Bibliography of the Social Sciences*, 1931 Vols 1-4 include material to June 1 1929 *Trading the Jewel of Great Value* Hendrik

Roodbeen,1992 **The Great Game** Alvin Z. Rubinstein (politiste.),1983 *Compound Containment* Dong Jung Kim,2022-03-07 When does a reigning great power of the international system supplement military containment of a challenging power by restricting its economic exchanges with that state Scholars of great power politics have traditionally focused on examining a reigning power s military containment of a challenging power In direct contrast Compound Containment demonstrates that these conventional studies are flawed without a sound understanding of the multilayered aspects of containment strategy in great power politics Since economic capacity and military power are intimately linked to one another countering a challenging power requires addressing both economic and military dimensions Nonetheless this nexus of security and economy in a reigning power s response to a challenging power cannot be explained by traditional theories that dominate research in international security Author Dong Jung Kim fills a gap in the scholarship on great power competition by investigating when a reigning power will make its military containment of a challenging power compound by simultaneously employing restrictive economic measures Its main theoretical claims are corroborated by an analysis of key historical cases of reigning power challenging power competition This book also offers policy prescriptions for the United States by examining whether the United States is in a position to complement military containment of China with restrictive economic measures **Neither Dead Nor Red** Andrew D. Grossman,2002-09-11 From Bomb shelters and air raid drills to the Cold War rhetoric that justified everything from the interstate highway system to CIA wiretaps Neither Dead Nor Read provides a fascinating glimpse at life in Cold War America 한국 정치·경제·사회, 1981-1982 ,1984 **Korea 2013** ,2013-09-12 Korea 2013 Politics Economy and Society contains concise overview articles covering domestic developments and the economy in both South and North Korea as well as inter Korean relations and foreign relations of the two Koreas in 2012 Additional papers deal with topics such as the promotion of the South Korea EU trade agreement the globalisation debate in South Korean higher education the ideational foundations of the South Korean Unification Church environmental policy in North Korea the role of multilateralism in North Korea s foreign policy and US television portrayal of North Korea A detailed chronology complements the articles Index of Economic Articles in Journals and Collective Volumes ,1984 *The Palgrave Geopolitical Atlas* Brian C. H. Fong,2025-12-11 The Palgrave Geopolitical Atlas State and Quasi State Actors in Great Power Competition is a comprehensive authoritative survey of the twenty first century global politics Going beyond the traditional state centrisim in the international relations discipline this book re orients both states and quasi states as critical geopolitical actors This book challenges the state centrisim in orthodox international relations scholarship Advancing a post sovereign lens this book re imagines a global geopolitical map that features different types of states and quasi states By doing so this book transcends the mainstream great power small state framework in geopolitical studies and advances a novel agenda for investigating the interaction of states and quasi states in global politics It guides readers to interpret the twenty first century global geopolitical map through a post sovereign lens This book will be an essential

reference for international relations scholars and students around the world It will also appeal to global policy makers and practitioners who are observing the dynamics of contemporary great power competition *Organizations Involved in Soviet-American Relations* ,1983 **Economic Leverage on the Soviet Union in the 1980's** Abraham Samuel Becker,1984 This report presents a reevaluation of the use of leverage on Soviet behavior by means of the instruments of East West economic relations A conceptual framework is presented in Sections II and III centering on the ideas of leverage and denial as policy tools and on the opportunities and constraints offered by Soviet economic dependence and vulnerabilities Sections IV through VI analyze the actual use of the major export instruments grain credit and gas pipeline technology during the early 1980s Section VII takes up the issue of consensus in the Western alliance as a condition of successful East West trade policy The author concludes that the only possibility for effective denial over the long term is to aim at selective impedance of the Soviet military effort
