## **Sweet Promised Land Basque Series:**

**Sweet Promised Land, 50th ed.** Robert Laxalt, 2007-03-05 How long has it been since you fell in love with a book  
Dominique Laxalt was sixteen when he left the French Pyrenees for America He became a sheepherder in the Nevada desert  
and nearby hills of the Sierra Like all his fellow Basque immigrants Dominique dreamed of someday returning to the land of  
his beginnings Most Basques never made the journey back but Dominique finally did return for a visit with family and friends  
Sweet Promised Land is the story of that trip told by his son Robert who accompanied him to the pastoral mountain village of  
Tardets in France Dominique came home victorious the adventurer who had conquered the unknown and found his fortune in  
the New World He told of his life in America the hardships and challenges and began to realize that he had changed since his  
departure from Tardets By the end of the visit he knew with certainty where he belonged During the past fifty years this book  
has become a classic in Western American literature still beloved by the Basque American community In celebration of the  
fiftieth anniversary of the book's publication western literature scholar Ann Ronald wrote a new foreword discussing the  
book in the context of American and Nevada literature

**Sweet Promised Land** Robert Laxalt, 1986 The account a son

writes of his father an old Basque sheepherder who lived and worked in the American West for most of his life who in  
fulfilling his dream of returning to the Pyrenees came to a new realization of what America meant to him

**More Than Sheepherders** Joxe K. Mallea-Olaetxe, Jess Lopategui, 2025 In the remote community of Elko Nevada the Altube brothers and

the Garats started fabled ranches in the early 1870s These hardy citizens created the foundation of a community that still  
exists today rooted in the traditions and cultures of American Basque families Joxe K Mallea Olaetxe presents a modern study  
focused on the post 1970s when the retired Basque sheepherders and their families became the dominant Americanized  
minority in the area During this time the Fourth of July National Basque Festival began to attract thousands of visitors from  
as far away as Europe to the small Nevada community and brought to light the vibrant customs of these Nevadans This book  
explores the American Basques present day place in the West bolstered by the collaborative efforts of four contributors  
including two women all who have been residents of Elko The writers offer firsthand knowledge of their heritage through  
numerous vignettes and these deeply personal perspectives will entice readers into Mallea Olaetxe's singular and

entertaining historical account

**Selves in Dialogue** Begoña Simal, 2011 Selves in Dialogue A Transethnic Approach to

American Life Writing constitutes an explicit answer to the urgent call for a comparative study of American autobiography  
This collection of essays ostensibly intends to cut across cultural racial and or ethnic boundaries introducing the concept of  
transethnicity and arguing for its increasing validity in the ever changing field of American Studies Accordingly the  
comparative analysis in Selves in Dialogue is implemented not by juxtaposing essays that pay separate but equal attention to  
specific monoethnic or monocultural traditions as has been the usual strategy in book length publications of this sort but by  
critically engaging with two or more different traditions in every single essay Mixing rather than segregating The transethnic

approach proposed in this collection does not imply erasing the very difference and diversity that makes American autobiographies all the more thrilling to read and study Group specific research of an intra ethnic nature should and will continue to thrive And yet the field of American Studies is now ready to indulge more freely and more knowledgeably in transethnic explorations of life writing in an attempt to delineate both the divergences and the similarities between the different autobiographies written in the US Because of its unusual perspective *Selves in Dialogue* can be of interest not only for specialists in life writing but also for those working in the larger fields of American Literature Ethnic Studies or American Studies     *White Dove, Tell Me* Martin Etchart,2024-04-16 In the town of Urepel Arizona Xabier Etxea a young Basque American sheep rancher and his wife grapple with the rituals mores and spirituality of their heritage and the realities of living in the new American West Their tenuous balance of the past and the present is disrupted when Xabier s father is unexpectedly killed In the wake of this tragedy Xabier learns that not only is the family ranch in jeopardy of foreclosure but his father s death may not have been the accident it first appeared to be Now he must find a way to save his family s ranch while unraveling the mysteries leading to his father s death Along the way Xabier strives to adhere to his father s memory and words the invitation to stay true to who he is without losing his arima soul In lyrical language that evokes the mythologies that have shaped the Etxeas s worldview *White Dove Tell Me* speaks to the divided self that seeks to honor the family s Basque heritage while they strive for understanding in a new land     **The Publishers' Trade List Annual** ,1992

Regionalism and the Humanities Timothy R. Mahoney,Wendy J. Katz,2008-12-01 Although the framework of regionalist studies may seem to be crumbling under the weight of increasing globalization this collection of seventeen essays makes clear that cultivating regionalism lies at the center of the humanist endeavor With interdisciplinary contributions from poets and fiction writers literary historians musicologists and historians of architecture agriculture and women this volume implements some of the most innovative and intriguing approaches to the history and value of regionalism as a category for investigation in the humanities In the volume s inaugural essay Annie Proulx discusses landscapes in American fiction comments on how she constructs characters and interprets current literary trends Edward Watts offers a theory of region that argues for comparisons of the United States to other former colonies of Great Britain including New Zealand Australia and Canada Whether considering a writer s connection to region or the idea of place in exploring what is meant by regionalism these essays uncover an enduring and evolving concept Although the approaches and disciplines vary all are framed within the fundamental premise of the humanities the search to understand what it means to be human

Immigration and Migration in the American West provides much more than ethnic groups crossing the plains landing at ports or crossing borders this two volume work makes the history of the American West an important part of the American experience Through sweeping entries focused biographies community histories economic enterprise analysis and demographic studies this Encyclopedia presents the tapestry of the West and its population during various periods of migration The two volumes examine the settling of the West and include coverage of movements of American Indians African Americans and the often forgotten role of women in the West s development Key Features Represents many of the American Indian tribes and bands that constitute our native heritage in an attempt to reintegrate the significance of their migrations with those of later arrivals Examines how African Americans and countless other ethnic groups moved west for new opportunities to better their lives Looks at specific economic opportunities such as mineral exploration and the development of instant cities Provides specific entries on immigration law to give readers a sense of how immigration and migration have been involved in the public sphere Includes biographies of certain individuals who represent the ordinary as well as extraordinary efforts it took to populate the region Key Themes American Indians Biographies Cities and Towns Economic Change and War Ethnic and Racial Groups Immigration Laws and Policies Libraries Natural Resources Events and Laws The Way West The Encyclopedia of Immigration and Migration in the American West brings new insight on this region stimulates research ideas and invites scholars to raise new questions It is a must have reference for any academic library **Making It in America** Elliott Robert Barkan,2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U S history The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream These men and women from 90 different ethnic groups certainly faced unequal access to opportunities Yet they all became renowned artists writers political and religious leaders scientists and athletes Kahlil Gibran Daniel Inouye Zbigniew Brzezinski Thurgood Marshall Madeleine Albright and many others are living proof that the land of opportunity sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is **Robert Laxalt** David Río,2007 Presents a study of the life and work of Basque American author Robert Laxalt This book analyzes the representation of the Basques throughout Laxalt s varied literary production with special attention to the different themes characters motives and settings present in fifteen of his novels **Transnational and Interdisciplinary Approaches to Western American Culture** Ángel Chaparro Sainz,2025-05-30 The book offers a diverse and rich picture of current research on the literature and culture of the American West The book privileges transnational and interdisciplinary approaches aiming to understand

how Western iconography has moved well beyond both national limits and literary borders becoming nomadic A selection of internationally renowned experts on Western American studies will consider the literary and artistic representation of the complex interaction between the mythic dimension of the West and its real historical social and cultural features both inside American culture and as it converses with other cultures The book also addresses other cultural and artistic manifestations that interact overlap and interrelate with Western writing in complex often dialogic ways as exemplified by cinema art and comics and it also explores how different voices and or experiences have complicated and diversified the potential definitions of the American West

**Bilbao's Modern Business Elite** Eduardo Jorge Glas,1997 Glas analyzes the rapid economic growth of Spain s Bilbao region in the context of its massive exportation of iron ore to Great Britain between 1875 and 1899 Focusing on the mining boom and the opportunities it created for Bilbao businessmen the author establishes a broad chronological and analytical framework that combines economic history with social cultural and political analysis to account for the industrialization of Vizcaya and the success of local entrepreneurs

**William A. Douglass, Mr. Basque** Miel Anjel Elustondo,2012 For Basques around the world Mr Basque is the public face of the University of Nevada Reno s Basque Studies Program which a president of the Basque Country described as a candle in the night for the Basques during the long years of the Franco dictatorship for the Basques of the American West and indeed the Americas he is the author who brought their experience to the light of day in his acclaimed book Amerikanuak Basques in the New World for Nevadans he is a lifelong resident a shrewd casino operator and a member of a true Nevada pioneering family and for his fellow anglers and sportsmen he is a steady companion on adventures around the world Through these pages the result of more than ten years of interviews between the author Miel Elustondo and William A Douglass Bill the reader experiences a candid and vivid portrait of life spent in constant motion searching for lizards in the high desert as a boy starting a family on a shoestring establishing a reputation in academia participating in brokering the end of violence in the Basque Country and much much more
