Symphony Number 4 In E Minor Op 68:

The Complete Idiot's Guide to Music History Michael Miller, 2008-07-01 A beautifully composed journey through music history Music history is a required course for all music students Unfortunately the typical music history book is dry and academic focusing on rote memorization of important composers and works This leads many to think that the topic is boring but bestselling author Michael Miller proves that isn't so This guide makes music history interesting and fun for both music students and older music lovers Covers more than Western classical music also includes non Western music and uniquely American forms such as jazz More than just names and dates puts musical developments in context with key historical events

The Classical Music Lover's Companion to Orchestral Music Robert Philip, 2018-12-04 An invaluable guide for lovers of classical music designed to enhance their enjoyment of the core orchestral repertoire from 1700 to 1950 Robert Philip scholar broadcaster and musician has compiled an essential handbook for lovers of classical music designed to enhance their listening experience to the full Covering four hundred works by sixty eight composers from Corelli to Shostakovich this engaging companion explores and unpacks the most frequently performed works including symphonies concertos overtures suites and ballet scores It offers intriguing details about each piece while avoiding technical terminology that might frustrate the non specialist reader Philip identifies key features in each work as well as subtleties and surprises that await the attentive listener and he includes enough background and biographical information to illuminate the composer's intentions Organized alphabetically from Bach to Webern this compendium will be indispensable for classical music enthusiasts whether in the concert hall or enjoying recordings at home

The Real Little Classical Fake Book (Songbook) Hal Leonard Corp., 1993-01-01 Fake Book This fabulous fake book includes nearly every famous classical theme ever written It's a virtual encyclopedia of classical music in one complete volume Features over 165 classical composers over 500 classical themes in their original keys lyrics in their original language a timeline of major classical composers categorical listings more
