## Synopsis Of The Four Gospels:

**The Net Bible Synopsis of the Four Gospels** Gregory White,2009-04 A synopsis is a tool which displays different passages of a text side by side for comparison This is most commonly done with the four Gospels of the New Testament because of their similar material but it could reasonably be done with any text that has similar passages such as the Old Testament historical narratives The synopsis you presently hold contains the four Gospels of the New Testament It is different from comparing parallel versions such as one English translation to another because all of the passages displayed in this synopsis are from the same version the NET Bible It is different from a harmony because the passages are not reorganized into one story each Gospel in a synopsis is separate from the others and can be read by itself or in comparison with the others This parallel arrangement enables fruitful comparison of the Gospels to each other so each may be understood well on its own in light of the others

Holman Christian Standard Bible The Harmony contains interpretive and clarifying notes by a number of scholars some with differing views on the relationship between various Gospel accounts Beyond the Harmony this volume includes articles designed to address issues that arise when one compares the four Gospels and seeks to give an integrated account of the life and teachings of Jesus The HCSB Harmony is unique in that it contains eight four color maps that illuminate the life and ministry of Jesus This resource will be valuable to pastors lay Bible teachers and will serve well as a primary textbook in college and seminary courses on the Gospels and on the Life and Teachings of Jesus Book jacket
