Story Of Opera

Ernest Newman

Story Of Opera:

A Short History of Opera Donald J. Grout, Hermine Weigel Williams, 2003-07-18 When first published in 1947 *A Short History of Opera* immediately achieved international status as a classic in the field. Now more than five decades later this thoroughly revised and expanded fourth edition informs and entertains opera lovers just as its predecessors have. The fourth edition incorporates new scholarship that traces the most important developments in the evolution of musical drama. After surveying anticipations of the operatic form in the lyric theater of the Greeks, medieval dramatic music and other forerunners, the book reveals the genre's beginnings in the seventeenth century and follows its progress to the present day. *A Short History of Opera* examines not only the standard performance repertoire but also works considered important for the genre's development. Its expanded scope investigates opera from Eastern European countries and Finland. The section on twentieth-century opera has been reorganized around national operatic traditions including a chapter devoted solely to opera in the United States which incorporates material on the American musical and ties between classical opera and popular musical theater. A separate section on Chinese opera is also included. With an extensive multilanguage bibliography, more than one hundred musical examples and stage illustrations, this authoritative one volume survey will be invaluable to students and serious opera buffs. New fans will also find it highly accessible and informative. Extremely thorough in its coverage, *A Short History of Opera* is now more than ever the book to turn to for anyone who wants to know about the history of this art form.

The Story of Opera Richard Somerset-Ward, 1998 Published to coincide with the 400th anniversary of the first performance of the very first opera, this book is an illustrated celebration and includes a lively and informative account of the development of this sophisticated musical form.

The Oxford Illustrated History of Opera Roger Parker, 2001 In this lavishly illustrated volume the history and social context of opera is explored by a group of leading British and American scholars under the editorship of Roger Parker. The core of the book is a historical survey of opera from its beginnings in Florence four hundred years ago up to opera in the 1990s. The greatest coverage is given to the nineteenth century, the time during which most of the operas performed today were composed. There are also chapters on the history of staging, on opera singers, on opera as a social occasion through the ages, and a chronology. Although all major composers of opera are mentioned and their works discussed, the various chapters concentrate less on simple historical narrative and more on the complex development of opera, especially on its relationship with the other arts and its place within the broader world of culture and politics. The numerous illustrations, nearly three hundred, some thirty of which are in colour, serve the vital purpose of underlining the richly visual nature of opera, the manner in which it communicates so vividly through staging and costume and the spectacular way in which it often reflects the cultural concerns of the age. Rather than simply illustrating the text, the pictures work as a kind of parallel history, supplementing and enriching the verbal narrative. The contributors are all experts in their chosen areas but all of them have remained alive to the basic attraction of opera, its extravagant appeal to

both the senses and the intellect and its seemingly inexhaustible power to move and astonish us [The Gilded Stage](#) Daniel Snowman,2010 The first and only global social history of the world s most romantic flamboyant glamorous and politically influential art form opera [A History of Opera](#) Carolyn Abbate,Roger Parker,2012-11-01 Opera is in many ways the most extraordinary artistic medium of the last four hundred years Prohibitively expensive and patently unrealistic it can nevertheless paint the human passions with astonishing power and drama This book the first new full length single volume history of opera for more than a generation provokes in depth discussions of many works by the greatest opera composers from Monteverdi Handel and Mozart to Verdi and Wagner to Strauss Puccini Berg and Britten There are lively discussions of opera s social political and literary background its economic circumstances and the almost continual polemics that have accompanied its development through the centuries Central to the book is an exploration of the tensions that have always sustained and enlivened opera Abbate and Parker examine the problems that opera has faced in the last half century when new works which were once opera s life blood have shrunk to a tiny minority have largely failed to find a permanent place in the repertoire Yet the book s final message is one of celebration Even if the majority of opera s most popular and enduring works were written in what is now a remote European past in circumstances very different from our own and the viability of contemporary opera is ever more in question opera as an art form remains extraordinarily buoyant and challenging It continues to transform people physically emotionally and intellectually and to articulate human experience in ways no other art form can match **The Story of Opera** Ernest Markham Lee,1968 **The Illustrated Story of Opera** David Nice,David Wice,1994 Tells the story of opera from its beginnings in the seventeenth century to modern productions with summaries of thirty two of the world s best known operas biographical profiles of twenty four famous performers and a glossary of musical terms **The Story of Opera (Classic Reprint)** E. Markham Lee,2018-07-28 Excerpt from The Story of Opera Histories of Opera are not very numerous there have been many articles and essays in various magazines dictionaries and so forth which have presented more or less concise synopses of the gradual development and growth Of the Operatic Art Some Of these notably the one in Grove s Dictionary are excellent but a work Of such bulk is not for the everyday reader nor generally speaking for the amateur Beyond these magazine and dictionary essays the number of books at any rate in the English language solely on Opera is very limited and from the nature Of the case those that exist soon get out Of date About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Stories of the Great Operas: And their Composers** Ernest Newman,1930 **A History of Opera**

Burton D. Fisher,2005 A comprehensive history of opera that traces each milestone in opera history from the 16th century Camerata through the next 400 years and features in depth analysis of all important genres the Baroque Classical and Romantic eras Bel Canto Opera Buffa German Romanticism Wagner and music drama Verismo Impressionism Expressionism Serialism and much more

Opera David Ewen,1972 Traces the history of the opera discussing important composers and

their works from the sixteenth century to the present day Includes a glossary of operatic terms

Sing Me a Story Jane

Rosenberg,1989 An illustrated retelling of the plots of fifteen well known operas

Stories from the Operas Gladys

Davidson,1910

A Concise History of Opera Leslie Orrey,1972 One of the most magnificent and expensive diversions the

wit of man can invent wrote the diarist John Evelyn after his visit to the opera in Venice in 1645 just eight years after the world's first commercial opera house had opened in that city Today few people would wholly dissent from Evelyn's view of

opera Its masterpieces rank among the supreme achievements of both music and drama Yet a fine operatic performance also

generates an indefinable aura compounded of theatrical excitement extravagance and a sense of occasion that no other art

can quite command The author treats opera as a branch of the theatre whose essential features are dramatic confrontation

and dialogue intensified by music on the stage and in the orchestra In his lavishly illustrated text he surveys not only musical

evolution but changing theatrical conditions theatre architecture and the increasing influence of the producer Though his

story is inevitably dominated by Italy Germany and Austria the author traces in detail the important developments in France

England Russia and other continental nations and devotes a chapter to the Americas Operetta musical comedy and the

musical are also given their place In his evaluation of the twentieth century he shows how opera's horizons have been

widened by new techniques of composition new theatrical concepts modern psychology and advances in acoustical

engineering opera he concludes remains as vital an art form today as it has ever been

Opera Christopher Headington,Roy

Westbrook,Terry Barfoot,1987

A Critical History of Opera Arthur Elson,1901

Operas in English: A Dictionary

Margaret Ross Griffel,2012-12-21 In this revised and expanded edition of Operas in English A Dictionary Margaret Ross

Griffel updates her work on operas written specifically to an English text including not only works originally in English but

also those set to new English librettos Since the book's initial publication in 1999 Griffel has added nearly 900 new items

bringing the total number of entries in this new edition to 4 400 covering the world of opera in English from 1634 through

2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow Listed

alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer's name

librettist's name with original language of the libretto the source of the text date place and cast of the first performance date

of composition if it occurred substantially earlier than the premiere similar information for the first U S including colonial

and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known

names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non

English ones other operas if any involving the same story or characters cross references are indicated by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings Operas in English features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures

Story Of Opera Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Story Of Opera free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Story Of Opera free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Story Of Opera free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Story Of Opera. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for

everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Story Of Opera any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Story Of Opera Books

1. Where can I buy Story Of Opera books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
