Fardnock's Revenge J. W. Stockton, 2012-10-08 *The PJ Sugar Collection: Nothing but Trouble / Double Trouble / Licensed for Trouble* Susan May Warren, 2016-08-15 This collection bundles all 3 volumes of Susan May Warren's delightful PJ Sugar series together in one e book for a great value Nothing but Trouble It's not fair to say that trouble happens every time PJ Sugar is around but it feels that way when she returns to her home town looking for a fresh start Within a week her former teacher is murdered and her best friend's husband is arrested as the number one suspect Although the police detective investigating the murder who also happens to be PJ's former flame is convinced it's an open and shut case PJ's not so sure She begins digging for clues in an effort to clear her friend's husband and ends up reigniting old passions uncovering an international conspiracy and solving a murder along the way She also discovers that maybe God can use a woman who never seems to get it right Double Trouble With one solved case under her belt PJ Sugar is ready to dive into her career as a private investigator Or at least a PI's assistant until she can prove herself to Jeremy Kane her new boss Suddenly PJ's seeing crime everywhere But is it just in her head or can she trust her instincts When she takes on her first official case house sitting for a witness in protective custody Jeremy assures her there's no danger involved But it soon becomes clear that there is someone after the witness and now they're after PJ too Licensed for Trouble PJ Sugar receives shocking news that she's inherited the Kellogg family mansion Though she has no idea why the timing is perfect PJ has clearly worn out her welcome at her sister's house Unfortunately the mansion is in shambles and PJ is short on cash Rescue comes in the form of Max Smith a mysterious handyman willing to trade his services for PJ's investigative skills But PJ already has a full docket with cramming for her PI license and nurturing a growing romance with her boss Jeremy Kane Can she take on Max's case without dropping the ball *A Colored Families Dream* Sam Eatmon, 2010-04-22 It is a culmination of experiences ranging from periods of feeling uncertain and overwhelmed I couldn't sleep sometimes for the wounds were fresh And times I didn't want to continue because I felt empty and nothing more to give and on the brink of discouragement Then I remembered walking out on the front porch where my granddad used to speak with me He uttered Son be a good boy and sit down and listen We hold these truths to be self evident that all men are created equal and endowed by God to have certain rights without debate And some of them are liberty life and a right to be happy It's Coming It's Coming All men are born free and equal Among them may be reckoned the right of enjoying and defending their lives and possession protecting the family Daddy was always caught saying Boys we got to keep the peace he offered no provocation to make us enemies Yet I saw southern society treat our family so bad people left us no alternatives but servitude or death We failed to understand that two kinds of justice were operating down home at that time It seemed when men talk of liberty they mean their own and seldom suffer thoughts to stray to their neighbors The Colored men seem to suffer most interpersonally I felt less than human and it made me angry and difficult to get along without adequate coping skills So many minority men injured those closest to them
