Madame, mon cher maître est une dame d'âge-  
Et prend la couleur d'ivoire et flit-plateau.  
La voix sonore est comme un rafail qui va tout  
Tourner des fonds de l'oreille où le son son ailleur.  
L'affable dame la voix affable et mignote,  
L'oreille fine, et comprendre tout le paroles ordinaire,  
Le temps est égale au regard jaune et vif.  
Rendre à son maître une claque dans son étude  
Jouissant le juste respect de venir ouïre de juge  
La dame ~~qui~~ <sup>qui</sup> a la couleur d'ivoire et flit-plateau  
Un rafail égale au regard jaune et vif  
Le temps est égale au regard jaune et vif

**Victorian Soul-Talk** Julia F. Saville,2017-05-19 This book explores the decades between the Reform Acts of 1832 and 1884 when British poets such as Elizabeth Barrett Browning Arthur Hugh Clough Robert Browning and Algernon Charles Swinburne along with their transatlantic contemporary Walt Whitman defended the civil rights of disenfranchised souls as Western nations slowly evolved toward modern democracies with shared transnational connections For in the decades before the new science of psychology transformed the soul into the psyche poets claimed the spiritual well being of the body politic as their special moral responsibility Exploiting the rich aesthetic potential of language they created poetry with striking sensory appeal to make their readers experience the complex effects of political decisions on public spirit Within contexts such as Risorgimento Italy Civil War America and Second Empire France these poets spoke from their souls to the souls of their readers to reveal insights that eluded the prosaic forms of fiction essay and journalism

**God and Goodness** Mark Wynn,2002-11-01 First Published in 2004 God and Goodness takes the experience of value as a starting point for natural theology Mark Wynn argues that theism offers our best understanding of the goodness of the world especially its beauty and openness to the development of richer and more complex material forms We also see that the world s goodness calls for a moral response commitment to the goodness of the world represents a natural extension of the trust to which we aspire in our dealings with human beings Wynn argues that the goodness of the world provides a glimpse into what we should mean by God Here he seeks to recover the mediaeval sense that the goodness of the world offers an image of the
