The Sword of Islam Rafael Sabatini,1939 **The Sword of Islam** Arthur Naylor Wollaston,2015-06-02 Excerpt from
The Sword of Islam Some years ago I published a work entitled Half hours with Muhammad The edition has been exhausted and under the advice of those who have followed its fortunes with uniform kindness and friendly feeling I have determined in revising it to enlarge somewhat the scope of the volume by the addition of several chapters which it is hoped will lend additional interest to an attempt to popularise an all important page of Oriental history It is obvious that the enlargement of the volume necessitates a change of title inasmuch as although the Prophet of Arabia must ever remain the central figure in any work treating of the Religion which he founded yet it would be altogether unreasonable to give to a publication dealing with many phases of the history of Islam a name indicating that it was confined to a life of Muhammad To this brief explanation it is only necessary to add that no attempt has been made to solve the many vexed questions which come to the front at every turn About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Sword of Islam Arthur N. Wollaston,2015-11-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you

and secular liberalism creating a thorough analysis of the Islamic tradition Polka offers a broad panoramic view of these three trends and their positions on core issues debated in the Muslim world Islamic reform democracy and human rights feminism the concept of jihad and suicide attacks and the killing of civilians Through his writing and preaching al Qaradawi has become the Islamic legal authority for Hamas and for the current generation of the Muslim Brotherhood but remains a controversial figure While his many students admire him as their spiritual mentor others have accused him of exploiting his pulpit and his media stardom in order to promote terrorism and violence toward both Muslims and non Muslims Polka helpfully explores this duality providing a much needed comprehensive analysis of al Qaradawi s philosophy and the centrist approach within Islamic thought **The Life and Teachings of Mohammed Or the Spirit of Islam** Ali Amir,1891
