E. Laureano, 2015-08-20 The shadow of war A clash of brothers A terrible sacrifice In the face of powerful darkness who will prevail The island of Seare is at war The Red Druid is gathering strength and power to stand against Conor Eoghan and the brotherhood But there is strife within the brotherhood as well Eoghan still refuses to claim his rightful rule and the resulting conflict creates an uncomfortable distance between him and Conor When Conor leaves to find the key to defeating the Red Druid Eoghan and Aine worry he will succumb to the danger They set out on their own mission to defeat the Red Druid through Aine s magical gifts But nothing and no one is as it seems ANATOMY Ronald A. Bergman , Adel K.

Afifi, 2016-07-01 Conceived by two emeritus professors Drs Ronald A Bergman and Adel K Afifi with a combined 100 years of experience teaching gross anatomy and neuroanatomy this book is designed to facilitate the understanding of the mysterious terminology used in anatomy biology and medicine making the learning experience as pleasant as possible Readers will be able to incorporate this understanding into their career choices whether they are medical dental nursing health science or biology students Anatomy is unique in design purpose and scope It defines the terminology of anatomy including origin and includes a gallery of biographies of scientists and researchers responsible for them The third section of the book examines the nervous system with definition and origin of named structures and syndromes in the central and peripheral nervous systems The result is an enhancement of the learning process in neuroanatomy which is fraught with a seemingly endless number of disconnected terms This book is not merely a glossary Anatomy serves as a reference encyclopedia designed for students who are learning a new language that is indispensable for a career in the health and biological sciences At first it may appear a formidable task but this easy to follow book offers an explanation of how our anatomical lingo evolved from Greek Latin and other sources in order to make sense of these terms helping to cement them in a student s understanding
