## **Sympathy Between Humans Sympathy:**

**Wordsworth and the Poetry of Human Suffering** James H. Averill, 2019-06-30 Murderers crazed widows beggars betrayed women such are the pitiful figures who appear throughout Wordsworth's early narrative poetry. Analyzing the poet's use of pathos from the two volumes of *Lyrical Ballads* through the completion of *The Prelude* James H. Averill argues that for Wordsworth the poetry of human life is inevitably the poetry of anguish and loss. Averill examines the relation of the poet to his human subjects exploring the questions of tragic response and sentimental morality the literary uses of human misery and the pleasures of tragedy. In *Wordsworth and the Poetry of Human Suffering* James H. Averill enriches our understanding and our appreciation of the peculiar power of Wordsworth's poetic vision

## **A Dictionary of Christ and the Gospels**

James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching. It is in a sense complementary to the *Dictionary of the Bible* in which of course Christ has a great place. But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything. This is first of all a preacher's dictionary. The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers. And even when the articles have the same titles as articles in the *Dictionary of the Bible* they are written by new men and from a new standpoint. It is thus a work which is quite distinct from and altogether independent of the *Dictionary of the Bible*. It is called a *Dictionary of Christ and the Gospels* because it includes everything that the Gospels contain whether directly related to Christ or not. Its range however is far greater than that of the Gospels. It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world. There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates. There will be articles on Christ in the Jewish writings and in the Muslim literature. Much attention has been given to modern thought whether Christian or anti Christian. Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title. James Hastings 1852-1922 was a distinguished scholar and pastor. He was founder and editor of the *Expository Times* and is also well known for editing the five volume *Dictionary of the Bible* as well as the *Encyclopaedia of Religion and Ethics* the *Dictionary of Christ and the Gospels* and the *Dictionary of the Apostolic Church*

**Humans and Other Animals in Eighteenth-century British Culture** Frank Palmeri, 2006 This collection examines changing perceptions of and relations between humans and nonhuman animals in Britain. As the contributors pose questions related to modes of representing animals and animal human hybrids *Gulliver's Travels* and works by Mary and Percy Shelley emerge as key texts. The volume will interest scholars students and general readers concerned with the representation of animals and ethical issues raised by the human uses of other animals
