**The Hodgepodge Book** Duncan Emrich, 1972 On title page Containing all manner of curious interesting and out of the way information drawn from American folklore and not to be found anywhere else in the world As well as jokes conundrums riddles puzzles and other matter designed to amuse and entertain *Natural Complexity* Paul

Charbonneau, 2017-05-16 This book provides a short hands on introduction to the science of complexity using simple computational models of natural complex systems with models and exercises drawn from physics chemistry geology and biology By working through the models and engaging in additional computational explorations suggested at the end of each chapter readers very quickly develop an understanding of how complex structures and behaviors can emerge in natural phenomena as diverse as avalanches forest fires earthquakes chemical reactions animal flocks and epidemic diseases *Natural Complexity* provides the necessary topical background complete source codes in Python and detailed explanations for all computational models Ideal for undergraduates beginning graduate students and researchers in the physical and natural sciences this unique handbook requires no advanced mathematical knowledge or programming skills and is suitable for self learners with a working knowledge of precalculus and high school physics Self contained and accessible *Natural Complexity* enables readers to identify and quantify common underlying structural and dynamical patterns shared by the various systems and phenomena it examines so that they can form their own answers to the questions of what natural complexity is and how it arises

**Finding the Way Home** Nora Räthzel, 2007-12-12 These two parallel studies in Hamburg and London aim to provide an insight into the different ways in which young people with and without a migrant background live their everyday lives together The book demonstrates how friendships tensions and sometimes adversities are negotiated It shows how young people construct landscapes of risk and safety and how relations of ethnicity class and gender are lived differently in different socio spatial contexts In some situations young people develop enjoyable ways of living with differences in others they live with tensions and conflicts These may be experienced through notions of ethnicity but sometimes through feelings of belonging to places and or specific youth cultures which transcend ethnic differences more often than class differences

Magical Rescue Vets: Jade the Gem Dragon Melody Lockhart, 2021-05-01 Most people think that dragons and unicorns don't exist outside of story books but Kat and Rosie know better The best friends have been helping out at Calico Comfrey's Veterinary Surgery ever since they stumbled across its secret door one summer holiday Join them as they rescue and care for the incredible enchanted creatures of Starfall Forest Along the way they might learn some valuable lessons about bravery friendship and loyalty When Kat needs something to distract her from her new baby sister it's the perfect time to go exploring in the forest She and Rosie find a baby gem dragon coughing and spluttering in the Crystal Caves What has made her whole colony so sick and could it have something to do with the gnomes new mining machines It's time to start an anti pollution campaign with just a little help from Dr Hart The second in the brand new *Magical Rescue Vets* series *Jade the Gem*
