Frankl's personal story of finding a reason to live in Nazi concentration camps has inspired millions. **Killervolt - eBook** David Watts,2015-01-15 Set on a similar but different world than we know, people with strange and powerful abilities have risen up to protect the normal population. These people use their gifts for the greater good. Organised and controlled under a single banner, they are the Ultra Heroes. Most people with these Ultra Powers are initially unaware that they are gifted with this power, as it lies dormant and undisturbed until it's needed or forced to the surface. This is the story of one such person who seeks answers to the tragedy that gave birth to his new and unique abilities. It is the journey of a man conflicted by his intentions to do good but whose actions while trying to protect himself and his friends lead him down a darker path.
