The Magical Door M. Y. Fisher, 2001-10-22 Why did I write this? Because I believe that every person that desires or claims to be a CHRISTIAN should take the time to conduct a comprehensive study of the Scriptures. Acts 17:11. These were the more noble than Thessalonica in that they received The Word with all readiness of mind and searched the Scriptures daily, whether those things were so. And 2 Tim 3:16 tells us, All Scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. This I have done. The result will be that the man of God might become thoroughly equipped for every good work. This study should then be documented in writing, which would then become their direction on how they can improve their own personal lives. Having done this, they will be competent to help a brother or sister in their time of need. Further, every person has their own subjects and/or circumstances; they must determine themselves. Additionally, I believe every Christian should study the birth, history, and future of the CHURCH OF THEIR CHOICE. I then conclude this document with a Synopsis, which might be described as my personal offering. The title I have chosen for these studies and documentation comes from the Hebrew word root YACAD, ya-saud, which means, among others, foundation, cornerstone, or to establish. I believe that we all must build our own foundation, cornerstone, and then establish a viable program in the study of the scriptures. May God Bless all that chose to read, study, and inject these words that I have written. Written for my benefit and with the Grace of God that read them.

Magical Doors: The Symbols of Astrology Jean-Marc Pierson, 2023-05-20 *Magical Doors* is not only a wildly entertaining guide to what the houses, planets, and signs represent, but it skilfully shows how they came into being and how they work together and influence each other.
