France Since Nineteen Eighteen:

The Last Million : How They Invaded France And England Ian Hay, 2025-01-10 The Last Million How They Invaded France and England by Ian Hay offers a fascinating and insightful look at the experiences of the last million American troops during World War I These soldiers arriving in the final stages of the war played a crucial role in the Allied forces ultimate victory but their story often remains overshadowed by earlier events in the conflict Hay with his signature wit and keen observation provides a vivid account of these troops impact both on the battlefield and in the broader context of post war Europe The narrative explores how these late arriving American forces full of fresh energy and optimism were rapidly integrated into the war effort in France and England Hay examines the complex dynamics of their interactions with European soldiers civilians and the war ravaged landscapes they encountered From the logistical challenges of managing such a large influx of troops to the cultural exchanges between Americans and their European counterparts the book offers a multifaceted view of the final stages of the Great War The Last Million is not only a historical account but also a reflection on the psychological and emotional impact of the war on these men many of whom arrived in Europe only to find the war ending Hay s narrative deftly balances humor and gravity offering readers a humanized portrayal of the soldiers and their unique experiences in a world on the brink of peace His storytelling brings to life the sense of anticipation duty and the uncertainties that characterized the final days of World War I Readers are drawn to The Last Million for its engaging narrative and its ability to illuminate a lesser known chapter of the war This book is essential for anyone interested in military history World War I or the personal stories of soldiers who served in one of the most pivotal conflicts in history Ian Hay s blend of humor historical insight and poignant reflection makes this work a valuable addition to any collection on the Great War

Europe and England in the Sixteenth Century Terence Alan Morris, 1998 A unique integrated survey of European and English history in the sixteenth century Morris presents in a highly readable format the key elements of narrative and debate which will be essential reading for all students of early modern history

Chinese in France amid the Covid-19 Pandemic, 2023-10-30 The day after the epidemic broke out in Wuhan Chinese people in France are already busy sending masks across borders and sharing media information at the same time a significant number of Chinese people are victims of racist attacks insults and discrimination in France Based on both quantitative and qualitative empirical data this book reveals the new dynamics and interactions generated by the Covid 19 pandemic not only between different sub groups of Chinese in France but also between ethnic Chinese and their both countries China and France Mutual aid local or transnational solidarity inclusion initiatives like any act of exclusion and hostility invite you to question the essence of humanity in transnational settings beyond the racialization of the Covid 19 virus
