## PERIODIC CHECKUP

After 20 hours, an inspection should be performed by an Authorized Outboard Dealer at local rates and paid for by the owner.

After the 20-hour check, your outboard should be taken to an Authorized Dealer every 100 hours of operation - or at least once each year - for lube change, tuneup, etc.

To find the Authorized Service facilities in your locality, or when traveling, refer to the classified or yellow pages in the local telephone directory under "Outboard Motors" or "Marine Engines."

This owner's publication includes operation and service instructions. If disassembly or replace-

ment, particularly of internal parts, is required, the owner is advised to see an Authorized Service Dealer and not to attempt the repair work himself.
