In His Presence The Dirt That Grace Breathed On, 2025-01-24 In His Presence is a book of daily devotions intended to awaken empower and encourage its readers to seek God fiercely and independently every day We are in a spiritual warfare yet too many believers are complacent deceived and prisoners of war We live in a time when preachers are afraid to speak against sin while church members live precariously in their lust and pride The global Beast system is upon us and has reached every aspect of our lives especially in the realm of religion This ancient and unrestricted warfare rages on each day but God is mobilizing His people in such a way that no matter how fierce the persecution may be there will always be a people who will stand up against the status quo Is it any wonder that many firm believers have left the modern day church Many were compelled to leave by God's invisible hand moving protecting and preparing His people We can no longer rely solely on church leaders We must get a hold of God for ourselves We must hear His voice and obey His will without compromise We are not just called to be the watchmen of this generation we are called to be warriors fully engaged in the good fight of faith We are called to be overcomers until the end so that when the Son of man comes to find faith on the earth He will not be disappointed The author's prayer is that we will be counted among those who are faithful eager and waiting for His Return In His Presence provokes believers to pray more intensely study His word more thoroughly and live a life that is holy unto Him

A Special Illumination Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A

Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion
