fiction even though some of the names or the similarities of events will be familiar to some of the readers After all how many people have the same names or have had similar experiences The short stories that I have written deal with God love loyalty greed trust wickedness ungratefulness revenge and the plain idiocy of some people These stories also show the results of the aforementioned when they are given to or used against the wrong person I am sure that most of you who read these short stories can relate some of the events or the results of a specific act or actions to events that have happened in your own lives For example your love taken for granted and rewarded with deceit Your loyalty and trust repaid by treachery greed or ungratefulness The mistake that you are never forgiven for even though they benefited greatly by your mistake And in the end a thank you very much that really meant Fuck you very much sucker One of the stories was written in a fairy tale fashion in order to justify some of the characters impossible feats The others are written in a more contemporary fashion lacking unnecessary and over sophisticated words for easier reading pleasure **Jane's Naughty Bedtime Stories** Emery Jane

undercurrent of sarcasm Because no matter how bizarre you can think of it and this writer has been entrusted with that reality turns out to catch up with you time and again It should be clear that even behind our dykes and sometimes even far beyond a considerable number of real weirdos m f x turn out to be walking around A number of which has or had been in charge for a shorter or longer period of time With all its consequences Which may be recognizable to people who have their eyes and ears open And people for whom this is too tiring can as far as I am concerned just go back to sleep peacefully Bron Flaptekst uitgeversinformatie **Freeing the Beast** Cate Troyer,2013-10-20 Bella is a small town girl sleeping with the well endowed but stupid local farm boy when her father returns home with shocking news She has been traded to a mysterious and hideous lord in return for her father s freedom She doesn t know what to think or expect but invisible
