## Stand The Stephen King:

**The Stand** Stephen King, 2008-12-11 Stephen King's apocalyptic vision of a world blasted by virus and tangled in an elemental struggle between good and evil remains as riveting and eerily plausible as when it was first published. Soon to be a television series THE STAND is a masterpiece. Set in a virus decimated US, King's thrilling American fantasy epic is a Classic. First come the days of the virus. Then come the dreams. Dark dreams that warn of the coming of the dark man. The apostate of death, his worn down boot heels tramping the night roads. The warlord of the charnel house and Prince of Evil. His time is at hand. His empire grows in the west and the Apocalypse looms. When a man crashes his car into a petrol station, he brings with him the foul corpses of his wife and daughter. He dies and it doesn't take long for the virus which killed him to spread across America and the world.

**The Stand** Stephen King, *The Stand* Stephen King, 2008-06-24 1 BESTSELLER. Stephen King's apocalyptic vision of a world blasted by plague and tangled in an elemental struggle between good and evil remains as riveting and eerily plausible as when it was first published. One of The Atlantic's Great American Novels of the Past 100 Years. This edition includes all of the new and restored material first published in The Stand: The Complete and Uncut Edition. A patient escapes from a biological testing facility unknowingly carrying a deadly weapon: a mutated strain of super flu that will wipe out 99 percent of the world's population within a few weeks. Those who remain are scared, bewildered, and in need of a leader. Two emerge: Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious Dark Man who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them and ultimately decide the fate of all humanity.

This is the way the world ends with a nanosecond of computer error in a Defense Department laboratory and a million casual contacts that form the links in a chain letter of death And here is the bleak new world of the day after a world stripped of its institutions and emptied of 99 percent of its people A world in which a handful of panicky survivors choose sides or are chosen A world in which good rides on the frail shoulders of the 108 year old Mother Abigail and the worst nightmares of evil are embodied in a man with a lethal smile and unspeakable powers Randall Flagg the dark man In 1978 Stephen King published The Stand the novel that is now considered to be one of his finest works But as it was first published The Stand was incomplete since more than 150 000 words had been cut from the original manuscript Now Stephen King s apocalyptic vision of a world blasted by plague and embroiled in an elemental struggle between good and evil has been restored to its entirety The Stand The Complete And Uncut Edition includes more than five hundred pages of material previously deleted along with new material that King added as he reworked the manuscript for a new generation It gives us new characters and endows familiar ones with new depths It has a new beginning and a new ending What emerges is a gripping work with the scope and moral complexity of a true epic For hundreds of thousands of fans who read The Stand in its original version and wanted more this new edition is Stephen King s gift And those who are reading The Stand for the first time will discover a triumphant and eerily plausible work of the imagination that takes on the issues that will determine our survival
