The unity and harmony in God's word, as found in the Bible, the world, and man John Coutts (of Highbury.),1881 *God Is Talking to You* Victor Hill,2019-11-13

God said God speaks The Lord said A voice from heaven answered From Genesis to Revelation God communicated with His people and He has never stopped God is still speaking today desiring to share His thoughts His wants and His will Years ago people owned transistor radios that required adjusting the needle until it hit the right frequency so they could listen to a program without staticky feedback The cares of this world and our old nature are like that feedback dulling our ears and our eyes But the more time we spend intimately praying and fellowshiping with God the stronger our connection will be to His voice Our hearts and ears will hit the right frequency and we will become tuned to God because we all possess within us the ability to hear Him To hear His voice In God is Talking to You Apostle Victor L Hill desires to help believers pierce through the mysteries that surround hearing God s voice while challenging the concept that hearing God is based on a person s age growth or spiritual development Apostle Hill dispels the belief of God being a distant inaccessible benefactor rather than a benevolent loving Father who longs to spend time communicating with His children whether they have just received the gift of salvation and have started their Christian walk or if they ve been on the road for decades One of the difficulties believers face is embracing the realities of God speaking to us along with fully grasping His yearning to communicate with us Apostle Hill also expounds upon the relationship between God s voice effective prayer and faith as well as how reverence and submission open the believer s heart mind and ears He delves into the role of the Holy Spirit within us who solidifies our place position and even authority in God God is Talking to You is a teaching and anecdotal guide to a more intimate and spiritual connection to our

Creator In this season know that as we learn how to hear God s voice the more impact we will make in the earth
