Talks With God:

Conversations with God Neale Donald Walsch, 2012-06-01 *Conversations with God* marks Neale Donald Walsch's initial dialogue with God. This book discusses personal issues such as prosperity, relationships, and the nature of spiritual truth with God, providing clear, understandable answers. Further than the author's conversation with God, you'll realize that your own understanding and your own conversation with God are the true subjects of this unforgettable text. Suppose you could ask God the most puzzling questions about existence, questions about love and faith, life and death, good and evil. Suppose God provided clear, understandable answers. It happened to Neale Donald Walsch. It can happen to you. You are about to have a conversation. Walsch was experiencing a low point in his life when he decided to write a letter to God venting his frustrations. What he did not expect was a response. As he finished his letter, he was moved to continue writing, and out came these extraordinary answers to his questions. They will amaze you with complex paradoxes that make perfect sense, profound logic, and astounding truths. Here are answers that bring together as one the deeper meaning of all beliefs and traditions. Here are the answers that will change you, your life, and the way you view other beings. For those with an open mind, a limitless curiosity, and a sincere desire to seek the truth, this book is stunning.

Questions and Answers on Conversations with God Neale Walsch, 2000-01-01 Millions of readers have come to value the *Conversations with God* series by Neale Donald Walsch, which has now been translated into twenty-six languages. Many thousands of those readers have had questions for him: questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God, and the universe, prayer, angels and devils, spiritual paths, relationships, and much more. In *Questions and Answers on Conversations with God*, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters, and the result is a book that is profoundly enlightening and inspiring. By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals, Neale's answers illustrate the direct link between spiritual and physical reality, clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe. This book gives us all the opportunity to look at ourselves to change ourselves and thus perhaps to change the world.
