Tao Of Management:

De tao van management Bob Messing, Hans P. Keizer, 1993 **The Tao of Management** Bob Messing, 1988-08 The Tao of Management adapts the teaching of Taoism to the world of the modern manager It will enable managers to see how things happen in their work environment and to understand how work energies flow or become blocked It presents a time tested framework within which to improve awareness understanding and skills Improved results at work at home and at play invariably follow The Tao enables the manager to tap his inner resources on the way to real success human accomplishment and satisfaction **The Tao of Management** Bob Messing, 1989 **The Tao of Management** Robert Messing, 1989

Responsible and Sustainable Business Liangrong Zu, 2022-02-16 This book claims that CSR is the Tao of sustainable enterprise development It examines the intersection of practical wisdom of Taoism CSR and Sustainability looking at the theoretical and historical implications associated with a Taoist approach to CSR sustainability and responsible leadership Implications for sustainable enterprise development will be presented The book analyzes perspectives found in Taoist classical texts and within the larger Chinese cultural context in order to delineate key issues found in the classical texts Through these analyses the book assesses the applicability of modern day Taoism thought and practice in China and the West with respect to the contemporary sustainability situation The book also explores the values ideas and practices Taoism offers to inspire a new generation of leaders and particularly business leaders to manage companies in a more social and sustainable way *Humanizing Business* Michel Dion, R. Edward Freeman, Sergiy D. Dmytriyev, 2022-05-30 This book is about humanizing business In contrast to the mainstream modern management and leadership literature this book provides distinctly humane perspectives on business The volume travels outside the world of business to explore what Humanities such as Philosophy History Literature Creative Arts and Cultural Studies can offer to business Renowned scholars from different Humanities disciplines as well as management researchers exploring the heritage of Humanities convey what it actually means to make business more humane The book strives to humanize business It aims to show that it is not people who have to suppress their human feelings aspirations and beliefs when they are at their workplaces but it is business itself that needs to be redefined by the human norms of human beings Companies should care about their employees and other stakeholders letting them be themselves i e be human at work and beyond The book will be of interest to management scholars across various business disciplines It can also be used as teaching material in the classroom with MBA students especially in Business Ethics Business and Society Sustainability Organizational Behavior Human Resource Management and other management courses The volume will also be of interest to scholars that work in different Humanities fields and whose interests span organizations management and business Finally many practitioners in the business world especially those in managerial and leadership positions will find the book both thought provoking and useful for them as well Chapter 37 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **Principles**

of Chinese Management Haibo Hu,2021-03-01 This book focuses on ancient Chinese management thoughts building a Chinese management theory system and defining the core concepts Firstly it systematically reviews the excellent management ideas in traditional Chinese culture from the perspective of modern management summarizing the experience and wisdom of Chinese management in order to disseminate the ideas to global readers and highlighting the soft power of Chinese culture Secondly based on the management practices of Chinese local enterprises the book refines the Chinese management model constructing a modern management theory system with Chinese characteristics to promote innovation and changes in global management theory **Tao voor het Westen** Knut Walf,1991 Inleiding tot geschiedenis karakteristieken en ontwikkeling van het Tao sme met een keuze van Tao stische teksten over grondthema s **TAO** ,2009
