**The comic and humorous reciter, ed. by E. Pertwee** Ernest Guy Pertwee,1900      Half-hours with the best humorous authors, selected and arranged by C. Morris Half hours,1891      **The Best of Dot Com Humor** Michael L.

Turnbull,2000-12-20 The Best of Dot Com Humor grew out of an increasing dependence on the Internet by my business As we became more involved in communicating transferring information and redefining customer relationships with the use of the Internet so too did we spend more time in frivolous communication with business associates and friends on the Internet Soon we were communicating with friends of friends and associates The exponential growth through the Internet led to a field of entertainment and humor that was almost boundless In addition to receiving and sending stories audio clips video clips cartoons jokes etc I began to keep the very best of the litter in a file Eventually my friends and the material in the file begged for publication Once the decision to publish was made my first trip was via the Internet to Amazon com and my second endeavor was a visit to the closest Barnes and Noble Both stops told me a great deal about what I did not want in my book Along parade of stories was not my only goal I wanted the reader to think about how the Internet has changed humor and how the reader might use humor in every day life to improve communication skills and effectiveness I also wished to save the reader one hell of a lot of time by listing some of the really humorous sites on the Internet Unfortunately really good humor is as rare as rocking horse manure to find anywhere especially the Internet The above notwithstanding my main reason in writing and editing this book is to make you laugh out loud Taking a brief look at humor and how the Internet may have altered its face finishes a distant second to my desire to amuse you Explaining how you may use humor to advantage in your life will be of interest but again the meat of this coconut lies in the stories and Internet sites that can be used and revisited many times over E B White said Humor can be dissected as can a frog but both die Please consider my review of Internet humor and the secrets of using humor in life as back round information that will allow you to enjoy more fully the stories and websites shared here If you truly enjoy this book and would like to have a CD ROM to download into your computer please contact me at mltpg purchasedparts com fax me at 313 882 9198 or write me at 48 DePetris Way Grosse Pointe MI 48236 For 9 99 I will send you a CD ROM that includes not only the entire content of The Best of Dot Com Humor but also video and audio clips collected at the same time the book was compiled Thank you for your interest in The Best of Dot Com Humor Michael L Turnbull      *The Reading Club and Handy Speaker* George Melville Baker,1877      Half-hours with the Best Humorous Authors Charles Morris,1891      Half-hours with the Best Humorous Authors: English Charles
