

A portrait of George Frideric Handel, a German Baroque composer, is positioned on the left side of the image. He is shown from the chest up, wearing a dark brown velvet jacket over a white cravat and a patterned waistcoat. He has powdered white hair and is looking slightly to the right. In his left hand, he holds an open book or manuscript. The background is a dark blue with intricate gold-colored floral and geometric patterns, including a repeating diamond motif and larger, more complex floral sprays.

The Life and Works of Handel Alfred Whittingham,1882 **Handel** Jonathan Keates,2009-07-28 Jonathan Keates original biography of Handel was hailed as a masterpiece on its publication in 1985 This fully revised and updated new edition published to commemorate the 250th anniversary of the composers death charts in detail Handel s life from his youth in Germany through his brilliantly successful Italian sojourn to the opulence and squalor of Georgian London where he made his permanent home For over two decades Handel was absorbed in London s heady but precarious operatic world But even his phenomenal energy and determination could not overcome the public s growing indifference to Italian opera in the 1730s and he turned finally to oratorio a genre which he made peculiarly his own and in which he created some of his finest works such as Saul Messiah Belshazzar and Jephtha Over the last two decades a complete revolution in Handel s status has taken place He is now seen both as a titanic figure in music whose compositions have found a permanent place in the international repertoire and as one of the world s favourite composers with snatches of his work accompanying weddings funerals and television commercials the world over Skillfully interwoven with the account of Handel s life are commentaries on all his major works as well as many less familiar pieces by this most inventive expressive and captivating of composers Handel was an extraordinary genius whose career abounded in reversals that would have crushed anyone with less resilience and will power and Jonathan Keates writes about his life and work with sympathy and scrutiny **Handel** Mrs. Julian Marshall,1883
