The Castrati A Romantic Tale:

The Castrati Sven Delblanc, 1979 **The Castrato** Martha Feldman, 2016-08-02 The Castrato is a nuanced exploration of why innumerable boys were castrated for singing between the mid sixteenth and late nineteenth centuries It shows that the entire foundation of Western classical singing culminating in bel canto was birthed from an unlikely and historically unique set of desires public and private aesthetic economic and political In Italy castration for singing was understood through the lens of Catholic blood sacrifice as expressed in idioms of offering and renunciation and paradoxically in satire verbal abuse and even the symbolism of the castrato s comic cousin Pulcinella Sacrifice in turn was inseparable from the system of patriarchy involving teachers patrons colleagues and relatives whereby castrated males were produced not as nonmen as often thought nowadays but as idealized males Yet what captivated audiences and composers from Cavalli and Pergolesi to Handel Mozart and Rossini were the extraordinary capacities of castrato voices a phenomenon ultimately unsettled by Enlightenment morality Although the castrati failed to survive their musicality and vocality have persisted long past their literal demise

The Historical Novel, Transnationalism, and the Postmodern Era Susan Brantly, 2017-02-17 This book explores the genre of the historical novel and the variety of ways in which writers choose to represent the past demonstrating how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood It traces how concerns of the postmodern era such as critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process

Historical Dictionary of Scandinavian Literature and Theater Jan Sjøvik, 2006-04-19 The literature of Scandinavia is amazingly rich and varied consisting of the works produced by the countries of Denmark Norway Sweden Finland and Iceland and stretching from the ancient Norse Sagas to the present day While much of it is unknown outside of the region some has gained worldwide popularity including the fairy tales of Hans Christian Andersen the stories of Isak Dinesen and the plays of Henrik Ibsen and August Strindberg While obviously including the area s most famous works the Historical Dictionary of Scandinavian Literature and Theater also provides information on lesser known authors and currents trends literary circles and journals and historical background This is accomplished through a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries which together make this reference the most comprehensive and up to date work of its kind related to Scandinavian literature and theater available anywhere

The to Z of Scandinavian Literature and Theater Jan Sjøvik, 2009-07-24 The literature of Scandinavia is amazingly rich and varied consisting of the works produced by the countries of Denmark Norway Sweden Finland and Iceland and stretching from the ancient Norse Sagas to the present day While much of it is unknown outside of the region some has gained worldwide popularity including the fairy tales of Hans

Christian Andersen the stories of Isak Dinesen and the plays of Henrik Ibsen and August Strindberg While including the area's most famous works *The A to Z of Scandinavian Literature and Theater* also provides information on lesser known authors and current trends literary circles and journals and historical background This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries which together make this reference the most comprehensive and up to date work of its kind related to Scandinavian literature and theater available anywhere

Twentieth-century Swedish Writers After World War II Ann-Charlotte Gavel Adams, 2002 Essays on Swedish authors of the twentieth century include prominent Swedish writers from different decades movements genres and gender with preference given to authors published in English translation Fenno Swedish writers have also been included since they write in Swedish and are part of the Swedish cultural history Discusses the establishment of the Nobel Prizes as well as poets of lyrical modernism proletarian realists autodidacts and contemporary poetry

Mismatched Women Jennifer Fleegeer, 2014-08-01 In *Mismatched Women* author Jennifer Fleegeer introduces readers to a lineage of women whose voices do not match their bodies by conventional expectations from George du Maurier's literary Trilby to Metropolitan Opera singer Marion Talley from Snow White and Sleeping Beauty to Kate Smith and Deanna Durbin The book tells a new story about female representation by theorizing a figure regularly dismissed as an aberration The mismatched woman is a stumbling block for both sound and feminist theory argues Fleegeer because she has been synchronized yet seems to have been put together incorrectly as if her body could not possibly house the voice that the camera insists belongs to her Fleegeer broadens the traditionally cinematic context of feminist film theory to account for literary animated televisual and virtual influences This approach bridges gaps between disciplinary frameworks showing that studies of literature film media opera and popular music pose common questions about authenticity vocal and visual realism circulation and reproduction The book analyzes the importance of the mismatched female voice in historical debates over the emergence of new media and unravels the complexity of female representation in moments of technological change

The Writers Directory, 2013

World Authors, 1975-1980 Vineta Colby, 1985 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author's principal works with date first published a list of major critical works and a portrait or photograph where available

Sociology John J. Macionis, Kenneth Plummer, 2008 This textbook provides a survey of sociology As the scientific study of society sociology is a social science

which uses various methods of empirical investigation and critical analysis to develop a body of knowledge about human social activity It focuses on the influence of our relationships around us and how they affect our behaviors and attitudes The author approaches this subject with a desire to help students find and use sociology in everyday life The Writers Directory 2008 Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography *A Beginner's Guide to Opera* Jeremy Nicholas, 1994 Let this book reveal this new world to you Covers which operas to try first and which to tackle later the stories of over 75 best loved operas all the famous highlights and where to find them recommended recordings and performers the lives of the great opera composers and a brief history of opera and an A Z of opera terms From publisher description Subject Catalog Library of Congress,

Embracing the Beat of Term: An Mental Symphony within **The Castrati A Romantic Tale**

In some sort of used by screens and the ceaseless chatter of instantaneous interaction, the melodic splendor and mental symphony created by the published word often disappear in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. But, nestled within the pages of **The Castrati A Romantic Tale** a stunning literary treasure full of raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that interesting masterpiece conducts readers on an emotional trip, skillfully unraveling the concealed songs and profound influence resonating within each cautiously constructed phrase. Within the depths of the poignant review, we will explore the book is main harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
