surveying the libraries of the world an ongoing task has not actually revealed a noticeable excess of this kind of material I am now thinking that maybe we are indeed suffering a dearth of these valuable insights and hence the current volume that you are probably holding now namely *In Bed with the Cats Pyjamas* has appeared in a vain attempt to correct the balance There are many mysteries to be explained in this strange and sometimes terrifying world but there is a hope that a study of the poems in these books might bring forth answers of a kind To take a simple example how can you deal with an elephant in the room Then again do you need counselling to come to terms with the fact that you are practically nothing just a few atoms and stuff nobody else could use Do bulldogs have a secret agenda That is the question What if things go badly wrong on your stag night The poem does not really offer a solution but at least perhaps it will warn you about the worst possible outcomes In these curious volumes we attempt to find solutions or at least discuss some of the more unusual problems of our age but who is to say with confidence that none will be your burden at some future time Would it not be wise to make preparations Each book contains more than thirty mostly rhyming poems accompanied by brilliant illustrations in full colour by the well known French artist Reine Mazoyer I have no hesitation in saying that I believe that as usual she has done a wonderful job A word on availability of these books may be useful They are all available by consulting the website www.dickdixon.com where you will see more details about them *Rhymes of the Newfangled Mariner* and *The Curse of the Square Crow* can both be purchased from the Mereobooks website www.mereobooks.com which is best if a book of a high quality is required or from Amazon where you will need to write in the book's name most probably *Country Living*, 2007 **Bulletin of the New Zealand National Society for Earthquake Engineering**, 1993 *The Kids' Cat Book* Laima Dingwall, Annabel Slaight, 1984 Describes different types of cats and explains how to choose and care for a kitten Grades 3-6 *Canadian Book Review Annual*, 1988 *Blues & Soul*, 1985-06
