**A Practical Guide to End of Life Care** Clair

Sadler, 2015-09-16 Are you involved in caring for people at the end of their life Do you have a role in supporting the families of those who are dying or is this an area of your work you find personally difficult This book is an accessible guide for all those working in health or social care and caring for people at the end of their lives This will include people in roles such as healthcare assistant hospice worker volunteer nurse or other carers Written by experts with extensive experience in delivering high quality end of life care this book is full of real life examples reflection exercises and case studies It also includes insights into what can help make a good death and how to help support families at the end of life The easy to read chapters emphasise treating people who are dying with dignity using a person centred approach The book supports the delivery of quality care by recognising physical and non physical symptoms and thinking about various emotional and physical needs people might have It is also important that care givers look after themselves and advice is given on how best to do this An essential purchase for anyone looking for guidance or support in this area and suitable for those working in the community care homes hospices hospitals or other settings where people are cared for With a Foreword from Dr Ros Taylor MBE National Director for Hospice Care Hospice UK The book strikes a balance between the factual and the personal and gives the reader detailed information and time to think through reflection exercises Deborah Preshaw doctoral nursing student Queens University Belfast UK This is a beautifully presented learning tool to support the delivery of end of life care I particularly like the signposts which reinforce the intention of the book to enable carers to apply what they read to their role in practice Liz Bryan Director of Education and Training St Christopher's Hospice UK This book is a very welcome addition to the literature on end of life care as it does exactly what it says it is a practical guide I highly recommend this book Mick Coughlan Programme Leader The Royal Marsden School UK I feel this book would be very useful for those new to palliative care as well as those studying the subject Relating theory to practice is always powerful and for new nurses and other healthcare professionals this provides context and meaning Clodagh Sowton Director of Patient Services Phyllis Tuckwell Hospice Care UK This is a welcome book to the field of end of life care This practical guide is accessible and is an excellent bridge between the Lay Person and those health care professionals caring for the individual as they approach the end of life I will be directing students of healthcare towards this impressive insightful book Robert Murphy Senior Lecturer Adult Nursing London South Bank University UK The material covered is very helpful and the range of authors has been well selected from individuals who are active in clinical practice The book is practical and clear and Clair deserves high praise for the contribution it will make to clinicians seeking to improve their palliative care knowledge and skills Professor Max Watson Medical Director Northern Ireland Hospice Visiting Professor University of Ulster UK The Forgotten Mourners Susan C. Smith, 1999 This revised and expanded edition raises awareness of the sensitive issues involved for bereaved children

highlighting their needs and their emotional and behavioral responses when bereavement occurs The cultural aspects of traumatic loss and grief as well as secondary losses associated with bereavement are dealt with in more depth in this updated version of the book The Forgotten Mourners will help teachers social workers and all those working in the field of child bereavement particularly when faced with difficult situations *Children's Book Prizes* Ruth Allen,2019-01-22 First published in 1998 this book is the first comprehensive survey of the awards made to children s books in the English speaking world The Volume covers nearly forty different prizes including well known and established ones such as the Newbury Award prizes instigated by the commercial sector such as the Smarties Prize as well as nationally sponsored awards and prizes for illustrators Detailed lists are provided of the winning titles and where appropriate the runners up in each year that the award has been given Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are views by authors illustrators publishers librarians booksellers and potential purchasers The various criteria applied by judges of these awards are also examined with an assessment of whether they have always achieved the right result This Volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children s book industry *Award-winning Books for Children and Young Adults* Betty L.

Criscoe,1990 *Halsted R. Holman and the Struggle for the Soul of Medicine* Matthew H. Liang,Edward R. Lew,2022-01-18 This book describes the major changes in American medicine and healthcare that took place during 100 years of efforts to deliver the fruits of biomedical science to all The story is told through the life of Halsted Reid Holman an icon in American academic medicine and arguably one of the most notable academic leaders in the US His story is extraordinary human and inspiring A charismatic figure a beloved doctor brilliant bench scientist innovative teacher mentor to many leaders in American medicine and leader of one of the world s great academic medical centers Holman was a change agent who challenged orthodoxy injustice and arrogance and took others to a vision they could not imagine He was a major figure shaping and reacting to the rise of molecular medicine and all the changes in US healthcare the beginning of Medicare Medicaid the growth of the health insurance industry and the medical industrial complex health maintenance organizations the disappearance of municipal hospitals and chronic disease and mental health hospitals widening health disparities Obama s Affordable Care Act and the tension between health care as a basic human right and as a business Holman s responses were singular humanitarian principled action oriented data driven collaborative with patients and a departure from a worldview that knowledge and technology will solve all ills and that only experts can see the truth *Books* ,1989 *Book Review Index* ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *The School Librarian* School
