**Ben Fogelberg, Steve Grinstead**

## **The Chautauqua Movement:**

The Chautauqua Movement John Heyl Vincent, 1885

**The Chautauqua Moment** Andrew Chamberlin

Rieser, 2003-11-05 This book traces the rise and decline of what Theodore Roosevelt once called the most American thing in America The Chautauqua movement began in 1874 on the shores of Chautauqua Lake in western New York More than a college or a summer resort or a religious assembly it was a composite of all of these completely derivative yet brilliantly innovative For five decades Chautauqua dominated adult education and reached millions with its summer assemblies reading clubs and traveling circuits Scholars have long struggled to make sense of Chautauqua's pervasive yet disorganized presence in American life In this critical study Andrew Rieser weaves the threads of Chautauqua into a single story and places it at the vital center of fin de siècle cultural and political history Famous for its commitment to democracy women's rights and social justice Chautauqua was nonetheless blind to issues of class and race How could something that trumpeted democracy be so undemocratic in practice The answer Rieser argues lies in the historical experience of the white Protestant middle classes who struggled to reconcile their parochial interests with radically new ideas about social progress and the state The Chautauqua Moment brings color to a colorless demographic and spins a fascinating tale of modern liberalism's ambivalent but enduring cultural legacy

**The Chautauqua Movement** John Heyl Vincent, Lewis Miller, 1886

*The Chautauqua*

*Movement* Joseph E. Gould, 1961-06-30 From its inception in 1874 down to the close of World War I the widespread popularity of the Chautauqua movement constituted one of the most dramatic episodes in the history of American adult education Started by two Ohio men as a summer camp or assembly to train Sunday school teachers in pleasant surroundings on Lake Chautauqua in Western New York the project grew to university proportions on its home grounds and during the height of its influence reached out to over 8 000 communities which participated by means of correspondence courses lecture study groups and reading circles Providing a free platform for the discussion of vital issues and a means of bringing good music to people who previously had had no way of hearing it Chautauqua was a major factor in the great change which brought to the Middle West the cultural standards of the Eastern seaboard In so doing it pioneered in introducing into American life many new concepts and ideas including university extension courses summer sessions a university press civic opera associations and group activities such as the Boy Scouts the Camp Fire Girls and similar youth movements The influence of Chautauqua upon the pattern of higher education in the United States was also great due mainly to the action of William Rainey Harper one of Chautauqua's leading personalities in practically duplicating Chautauqua's organizational structure at the then new University of Chicago when he was chosen by John D Rockefeller to head that institution In this connection Dr Gould has had access to the uncatalogued papers of Dr Harper in the Archives of the University of Chicago The net result is a book of value to the serious student of American education as well as to the casual reader whose knowledge of Chautauqua may have been confined hitherto to the relatively unimportant tent show era of the movement

**The Chautauqua Movement** John Heyl Vincent, 1886

**Music in the Chautauqua Movement** Paige

Lush, 2013-08-08 The chautauqua movement was a truly American phenomenon providing education and entertainment for millions of people and employing thousands of musicians in the process While scholars have previously explored various facets of the chautauqua movement this is the first book to trace the place of music in the movement from its inception through its decline Drawing upon the rich collections of ephemera left by several chautauqua bureaus this study profiles several famous musicians and introduces the reader to lesser known musical acts that traveled the chautauqua circuits In addition it explores music's role in defining the chautauqua movement as high culture legitimizing the movement in the eyes of community leaders and setting it apart from vaudeville and other competing amusements Finally it addresses music's role in establishing chautauqua's identity as an American institution specifically in the years surrounding World War I

**The Chautauqua Movement** Joseph Edward Gould, 1970

**The Chautauqua Movement [microform]** J H (John Heyl)

1832-1920 Vincent, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Lyceumite and Talent, 1911

**The Chautauqua Movement (Classic Reprint)** John Heyl

Vincent, 2015-07-09 Excerpt from The Chautauqua Movement This book has been prepared in the midst of arduous official labors and nothing but the writer's interest in the cause it represents could have induced him to attempt the task now completed The author has of necessity made use of some material already published in The Chautauquan and presented in lectures and addresses in all parts of the country To such reproductions much new matter has been added and it is hoped that the book will give to many persons who know little or nothing about Chautauqua and to those who may have been prejudiced against it the true view of its aims and plans and thus secure to the cause new and firm friends and increase its power for good It is the author's purpose or at least his hope at some future time to publish a volume of Chautauqua Memorials with detailed programmes of what was done at every Assembly and with the memoranda of things proposed from time to time never yet accomplished Such a compilation will make a souvenir for Chautauquans Concerning the author's personal relations to the beginning and to the development of the Chautauqua enterprise he has said but little in this volume content and grateful to have been permitted by a gracious Providence to engage in the good cause with the worthy workers who have helped to found and to build it up Some kind words on this subject by Mr Miller in his Introduction the author has

taken the liberty to suppress The book is now committed to the hosts of Chautauqua and to the outside world in the humble hope that it may help to advance the noble cause which aims to lift and broaden and in manifold ways to bless humanity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Chautauqua Movement** Clyde E. Heflin, 1917 [Encyclopedia of Christian Education](#) George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

**Working at Play** Cindy Sondik Aron, 2001 This text chronicles the history of vacationing in America since the early 19th century It is concerned with how when and why vacationing came to be part of life charting this social and cultural institution as it grew from the custom of a small elite in to a mass phenomenon

**Walking Into Colorado's Past** Ben Fogelberg, Steve Grinstead, 2006 What could be better than a walk through Colorado s mountains woods or valleys How about a history hike Hikers and historians Ben Fogelberg and Steve Grinstead take you there and then take you beyond sharing vignettes of days past to enhance these 50 walks to historic places in and around Rocky Mountain National Park Fort Collins Boulder Denver Colorado Springs Pueblo La Junta and Trinidad View gold and

silver mines in their lofty mountain perches visit old homesteads walk to the site of a coal mining tragedy explore the burn zone of the Hayman Fire descend a canyon to discover rock art and dinosaur tracks even climb to remnants of a crashed B 17 bomber From mile long strolls to crossing the flanks of fourteeners Walking Into Colorado s Past has fun and fascinating history hikes for all ages      *The Grand Assembly* Mary Galey,1998-04 Today the Colorado Chautauqua is one of the only remaining Chautauquas and this is the story of that group filled with delightful comic and heartwarming descriptions of life at this historic Chautauqua      *The Review of Reviews* Albert Shaw,1892      **The Chautauquan** ,1886      Encyclopedia of the Social and Cultural Foundations of Education Eugene F. Provenzo, Jr.,2008-10-29 More than any other field in education the social and cultural foundations of education reflect many of the conflicts tensions and forces in American society This is hardly surprising since the area focuses on issues such as race gender socioeconomic class the impact of technology on learning what it means to be educated and the role of teaching and learning in a societal context The Encyclopedia of the Social and Cultural Foundations of Education provides a comprehensive introduction to the social and cultural foundations of education With more than 400 entries the three volumes of this indispensable resource offer a thorough and interdisciplinary view of the field for all those interested in issues involving schools and society Key Features Provides an interdisciplinary perspective from areas such as comparative education educational anthropology educational sociology the history of education and the philosophy of education Presents essays on major movements in the field including the Free School and Visual Instruction movements Includes more than 130 biographical entries on important men and women in education Offers interpretations of legal material including Brown v Board of Education 1954 and the GI Bill of Rights Explores theoretical debates fundamental to the field such as religion in the public school curriculum rights of students and teachers surveillance in schools tracking and detracking and many more Contains a visual history of American education with nearly 350 images and an accompanying narrative Key Themes Arts Media and Technology Curriculum Economic Issues Equality and Social Stratification Evaluation Testing and Research Methods History of Education Law and Public Policy Literacy Multiculturalism and Special Populations Organizations Schools and Institutions Religion and Social Values School Governance Sexuality and Gender Teachers Theories Models and Philosophical Perspectives A Visual History of American Education      **The Christian Union** Henry Ward Beecher,1890      The Christian Union ,1887
