## **The Chicago Race Riots July 1919:**

*The Chicago Race Riots, July, 1919* Carl Sandburg, Walter Lippmann, 2013-01-01 Nearly a century ago an African American teenager crossed an invisible line of segregation at a Chicago beach and paid with his life. The incident set off days of violence resulting in dozens of deaths and hundreds of injuries. This contemporary account was written by Pulitzer Prize winning author Carl Sandburg who reported on the riots for the Chicago Daily News Reprint of the Harcourt Brace and Howe Inc 1919 edition

**The Chicago Race Riots** Christopher Tabbert, 2019-08-04 Carl Sandburg was not yet an internationally famous poet and author when he wrote a series of articles about contemporary race relations for the Chicago Daily News in 1919. The Great Migration of African Americans from the rural South to industrial centers like Chicago was well underway and Sandburg was one of the first journalists to perceptively explore the complex and potentially incendiary social, economic and political forces that were at work. When Chicago exploded in interracial violence, Sandburg was viewed as a prophet. His articles for the Daily News were published in book form for posterity and they are presented anew in this volume a century after their first appearance

*The Chicago Race Riots, July, 1919 (Classic Reprint)* Carl Sandburg, 2017-12-06 Excerpt from *The Chicago Race Riots July 1919* Since permanent degradation is unthinkable and amalgamation undesirable both for blacks and whites the ideal would seem to lie in what might be called race parallelism. Parallel lines may be equally long and equally straight they do not join except in infinity which is further away than anyone need worry about just now. We shall have to work out with the Negro a relationship which gives him complete access to all the machinery of our common civilization and yet allows him to live so that no Negro need dream of a white heaven and of bleached angels. Pride of race will come to the Negro when a dark skin is no longer associated with poverty, ignorance, misery, terror and insult. When this pride arises every white man in America will be the happier for it. He will be able then as he IS not now to enjoy the finest quality of civilized living the fellowship of different men.
