have gained along the way We are in the most amazing time on earth a time of mass spiritual awakening along with the evolution of mother earth herself to a higher frequency I have written this book with the intention of reaching out to light workers who are still asleep and those who are just waking up It is critical that all light workers fulfill the mission for which we have come to earth to do in this period of transformation I accept that this book will be a light on the path for those it is intended to reach I honor all who are walking this path and making the way easier for those souls who are to follow

Crystal Clear Christ Consciousness Claude La Vertu,2022-03-16 Beyond the realms of enlightenment and consciousness is the omnipotent realm of Christ Consciousness A state of mind of being of living and of faith that connects us directly to God Christ Consciousness is available to everyone because it s intended for everyone regardless of religious or spiritual or intellectual convictions Christ Consciousness is not a Jesus thing it s a God thing that Jesus wielded and taught to show us what we can and should do in order to experience an extraordinary life and meet our intended destiny Crystal Clear CHRIST Consciousness uses scientific data to back up the Bible s claims and uses the Bible to confirm what science is telling us about ourselves and God and about what we can attain achieve and experience This is not a religious or spiritual book it s a fact book designed to help you attain achieve and experience anything and everything you so desire while awakening yourself to the omnipotent reality and miracle that is Crystal Clear CHRIST Consciousness THIS EDITION In an effort to compete with rising costs of printing and shipping this edition it has been produced with smaller font size and minimal spacing than the original first edition requiring fewer pages and less weight thereby producing a more affordable ecological cheaper to ship print option than the original 336 page first edition Nonetheless this edition contains all the same data as the original first edition *The Christ Consciousness* R. C. Douglas,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Reflections of the Christ Mind** Paul Ferrini,2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both

compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today

Path of the Soul Al Florey, 2018-09-29 Path of the Soul is an inspiring story of the spiritual unfoldment of Jesus as a man a soul and a spirit In vivid detail it reveals how Jesus was able to experience God as love perform miracles attain Christ consciousness and ascend into the realm of pure light wisdom and love Before Jesus became the way shower and messenger for the teachings of the Piscean Age He was first and foremost a seeker of truth Path of the Soul is a story of encouragement for all who are on a quest for universal truth and wisdom It reveals how people progress from step to step and from one initiation to a higher initiation regardless of their religion nationality ethnicity or gender In great detail it explains how people can use the energies and forces streaming through the seven planes of earth to unfold develop and master successively higher states of mind and realization You too can attain Christ Consciousness or buddhic Enlightenment For you are a god in the making with the potential to attain perfection and the inherent ability to serve as an agent of divine love will and purpose This is the message of the way shower during these early days of the Age of Aquarius

The Christ Is Not a Person J. C. Tefft, 2009-02 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words

The Christ Consciousness Norman Paulsen,1994-12 **Changing Your Paradigm to the Christ Mind** Keith E. Jackson,2011-06-07 This book is designed to challenge your mind set and kick down some of the sacred cows that hinder you from becoming all that God has created you to be In the Gospel of John Jesus made a profound statement Jesus stated all the works he has done his disciplines could do and even greater works because he was returning to His heavenly father John 14 12 14 Was Jesus serious when he said that or was he trying to appease his followers Some may say that he was speaking figuratively but I am of the opinion that this statement was a literal one There are numerous scriptures to back up my contention If Jesus statement is true are you experiencing the power and authority that Jesus said was available to all those who call on his name If the answer is no then why arent you It is my contention in order for us to be trusted with that kind of power and authority we must develop the same mind set that Jesus had In the book of Romans the apostle Paul under the inspiration of the Holy Spirit encouraged the believers to renew their minds Romans 12 1 3 Paul realized that in order to experience the power and authority that God has for us we need to learn to think a different way We need to learn a new paradigm Many believers are living life far below what God has intended for them Some have rationalized that this is their plight and they endure the hardships with the hope that someday they will get their reward in the sweet by and by This sounds real religious and many would applaud this mind set But is it truly scriptural If you are not experiencing the aforementioned dont you think its time to ask why If you are satisfied with your life this book is not for you In fact I admire you I wish I could be that content but I am not I want to experience all that God has for me I want to be blessed so I can be a blessing according to the promise God gave Abraham You know that all those who are of the faith of Abraham are entitled to the same blessings of Abraham Maybe that is the problem you didnt know In this book I will discuss ways you can renew our mind and challenge your current cognitive processes The subjects that I will cover are the following What does it mean to be responsible What is the difference between responsibility and accountability How responsible are you What is your purpose in life What is Gods purpose for you Are you a prisoner of your past or a pioneer of your future What kind of fence do you have around your yard boundaries What keeps dysfunction alive and well Living life from an internal locus of control Thinking outside of the box Using your hardships to your advantage Turning your dreams into reality the process for change Strategies for success [Christ Consciousness: Voice Is Energy, Energy Creates Form](#) Linda Irby,2021-03-25 Is there a gap between your talk with God and your walk with God Generally we make changes if we see some benefits Change means doing something different frightening and usually when distraught Ever ask God or Jesus What would you have me do Do you know your core values are based on religious spiritual tenets When decision making without God what determines your core values

As Christians it is critical for us to comprehend why we love God Our eternal life depends on this It is necessary to know when why and how to put on the full armor of God Christ s consciousness conquers catastrophes change and chaos Voice is energy energy creates form
