## **The Christ Trial:**

*The Illegal Trial of Jesus* Earle L. Wingo, 2009 Who killed Jesus the Jews or the Romans Did you know that the Sanhedrin broke the Jewish law 18 times during the illegal trial of Jesus Attorney Earle Wingo approaches the crucifixion like a trial lawyer showing one after another the ways in which Jesus was illegally tried Wingo is a good writer with an emotional and persuasive style You would want him defending you in court This book was written many years ago and we have had a lot of requests for it since Jack Chick has made references to it in his books Now with illustrations by Jack Chick added we are releasing this revised edition to add fascinating detail to your study of the crucifixion of Jesus Christ It will give new understanding to your Bible study and provide you with fascinating details you can share with others if you are a teacher in your church You will learn Who the Jewish leaders were and why they knew exactly what they were doing How many Jewish laws were broken in order to entrap Jesus How Jesus was arrested without being charged That Jewish law forbade nighttime trials and one day trials Why the eventual charge of blasphemy wasn't enough to put Jesus to death How the charges against Jesus were changed to get the Romans to kill Him

**Trial and Crucifixion of Jesus** David W. Chapman, Eckhard J. Schnabel, 2015 The authors of this volume set themselves one task to trace the extra biblical primary texts that are relevant for understanding Jesus trial and crucifixion With that goal in mind the book is built on three major themes 1 Jesus trial interrogation before the Sanhedrin 2 Jesus trial before Pontius Pilatus and 3 crucifixion as a method of execution in antiquity In chronologically sequential order where possible the authors select and arrange an overwhelming amount of extra biblical primary texts 462 to be exact underneath these three categories 75 46 and 341 texts respectively Brian J Wright in Religious Studies Review

Stalker, 2020-08-11 Reproduction of the original The Trial and Death of Jesus Christ a Devotional History of our Lord's

Passion by James Stalker *The Trials, Crucifixion, and Burial of Jesus of Nazareth* Woodrow Michael Kroll, 2024-09-19 No event in the history of humankind has elicited more comment or sparked more controversy than the trials crucifixion and burial of Jesus of Nazareth The Trials Crucifixion and Burial of Jesus of Nazareth investigates each of these events in much detail from the historical archaeological theological geographical and biblical viewpoints The book distinguishes between the late night hurriedly called meeting of a quorum of Sanhedrin members and the official meeting in the Chamber of Hewn

Stone the next morning It examines the ten charges made against Jesus and why they changed so often throughout his trial It also investigates the twenty five obvious irregularities from Jewish law that were evident in Jesus trial Explored is the legitimacy of applying Mishnaic law to a first century trial Every suggested location for the trial and crucifixion of the Master is explored along with the question Did Jesus really die and does it matter Finally a complete inventory of Jesus physical emotional and spiritual suffering between Gethsemane and Golgotha is provided along with appropriate comments This book is something of a one stop shop for all things related to the trials crucifixion and burial of Jesus *On the Trial of Jesus* Paul Winter,2010-11-05 After World War II Ernst Ludwig Ehrlich 1921 2007 published works in English and German by eminent Israeli scholars in this way introducing them to a wider audience in Europe and North America The series he founded for that purpose Studia Judaica continues to offer a platform for scholarly studies and editions that cover all eras in the history of the Jewish religion *The Trial of Jesus* James Chalmers McRuer,1964 The object of this book is to relate the written account of the trial of Jesus together with the relevant events which preceded it to the political and religious affairs of his time as well as to what we know about the legal procedures of his day The turbulent events of that period produced religious leaders with distorted minds just as similar events have done throughout history leaders who departed widely from the true concepts of their faith to use the offices they held to serve unworthy ends It may well be that those with whom we are concerned pursued their misguided course just as many Christians holding high ecclesiastical and civil offices have since done sincerely believing that the end was a righteous one and the means justified Preface *The Trial and Crucifixion of Jesus Christ of Nazareth* M. Brodrick,1908 *Trial of Christ* David K. Breed,2013-07-01 The great fact and the Eternal Fact in the life of Jesus was his death because of our sins upon the Cross This was the fact which St Paul declared he preached to the Corinthians first of all not that they were the first to hear it not that it merely came first in the enumeration of the great truths of the Gospel but that it was first in importance the Eternal Fact of Redemption The steps therefore by which Jesus was brought to the Cross are of great interest to Christian lawyers Here is a careful study from a lawyer's standpoint of the trial of Jesus *The Trial of Jesus Christ* Alexander Taylor Innes,1899

**Trial of Christ in Seven Stages: A Poem (1909)** John Brayshaw Kaye,2009-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *Jesus on Trial* James Montgomery Boice,Philip Graham Ryken,2002 *Reports of State Trials* Great Britain. State Trials Committee,1888 *The Secret Trials of the Christian Life* George Edward Jelf,1875 *Trial of the Witnesses of the Resurrection of Jesus* Thomas Sherlock,2022-08-15 In Trial of the Witnesses of the Resurrection of Jesus Thomas Sherlock meticulously interrogates the historical and theological implications surrounding the resurrection of Christ a cornerstone of Christian belief Employing a

rigorous analytical lens Sherlock adopts a style that blends philosophical inquiry with a narrative structure that engages both reverent and skeptical audiences He seeks to unravel the credibility of the resurrection witnesses utilizing a framework reminiscent of legal proceedings to dissect testimonies and objections firmly situating his discourse within the Enlightenment context that questioned traditional authority and religious truths Thomas Sherlock an esteemed bishop and a prominent figure in 18th century theological debates produced this work against the backdrop of a burgeoning skepticism and the rationalist discourse that characterized his era His scholarly pursuits were deeply rooted in an earnest commitment to defending orthodox Christianity while addressing contemporary doubts with intellectual rigor Sherlock s background in both theology and philosophy uniquely equipped him to tackle these complex issues elevating the discourse around the resurrection beyond mere belief into the realm of intellectual examination Readers will find in Sherlock s Trial of the Witnesses an essential text that not only challenges preconceived notions of faith but also enriches one s understanding of early Christian testimony This book is highly recommended for anyone seeking a profound exploration of one of history s most debated events blending erudition with accessibility in a manner that resonates even today

### **The Jesus Trial**

Kathleen Keithley,Daniel T. Doyle,Daniel T Doyle Esq,2014-06-06 The Jesus Trial is the story of the arrest of Jesus of Nazareth and his subsequent trial in the Roman Court of Pontius Pilate The story imagines how Jesus destiny may have changed had he been given the chance to have a modern day trial Joseph of Arimathea becomes his defense counsel and the Jewish High Priest Caiaphas is the lead prosecutor During the depositions Joseph begins to wonder what in the world he has gotten himself into Witnesses for the defense speak of the immaculate conception miracles the Magi raising the dead and Jesus being the Son of God What will the jury think of all this crazy talk Joseph struggles with how he will be able to provide the best defense for his client when he finds these stories impossible to believe himself But as Joseph spends more time with Jesus something begins to change within him In the end Joseph understands what the Truth is and that the Truth is the only defense he can present
