The Bedroom Sailors:

Sailor's Dilemma Robert C. Griffiths, 2001-10 A romantic and tragic story about a sailor who too quickly determines which women in his life are scandalous and which ones are beautiful only to find that he had beautiful women in his life all along In the end he discovers that love is the thing that fuels us and gives us the ability to continue on even when we do wrong

Simons life doesnt start brilliantly with bombers flying low over the family farm in Italy and his fathers belated homecoming after the ill fated Greek campaign Then there is the roachridden fl at in war fl attened Bologna and a thankless job turning our widgets on a lathe But a trip to England opens new horizons for Simon He discovers the wonders of the English language and the marvels of young women Alice is an Irish nurse working in London where Simon is a hospital orderly They meet and his life takes a big turn for the better Marriage and children follow and Simons natural Italian charm plus Alices easy vivacity creates success for him as an international salesman with business trips to Japan and China and a family holiday in America via the QE2 Then disaster strikes Who can look at a deadly disease no three lifethreatening conditions and remain calm Simons journey is indeed one from paradise to hell But his survival in this fascinating biography is a tribute to his inner strength and a reflective yet optimistic approach to the life he loves *Sailor Cambridge* Susanne Labrum
