The Bedside Guardian 27:

The Bedside 'Guardian.', 1969 *TV Critics and Popular Culture* Paul Rixon, 2011-11-30 Ever since the first scheduled television broadcasts began in the 1930s newspapers and magazines took quickly to reviewing this revolutionary new medium The task of television criticism in the public domain initially fell to radio critics and journalists but the 1950s saw the rise of the dedicated TV critic These critics including Peter Black Philip Porsor and Clive James played an important part in shaping the public discourse about television This new book explores the evolution of television criticism in Britain exploring different types of TV critics and reviewers the form of their work and evaluates their importance in our understanding of the way television has become such an integral part of modern culture It also asks whether with the birth of new technologies is the TV critic a dying breed This is an important contribution to the fields of Journalism and Television Studies Cultural Studies and contemporary History

High Calvinists in Action Ian J. Shaw, 2003-02-06 This valuable contribution to the debate about the relation of religion to the modern city fills an important gap in the historiography of early nineteenth century religious life Although there is some evidence that strict doctrine led to a more restricted response to urban problems extensive local and personal variations mean that simple generalizations should be avoided Ian J Shaw argues against earlier prejudiced views and shows that high Calvinists played a vigorous and successful part in the response of early nineteenth century churches to the process of urbanization The study includes six substantial case studies of ministers and their churches in Manchester and London Four high Calvinist ministers are considered with two studies of ministers holding to an evangelical Calvinist doctrine also included to provide instructive contrasts Detailed social analysis of the congregations is based upon extensive use of manuscript and printed sources sermons and local and denominational press

The Guardian Index, 1993 **The Papers of Martin Luther King, Jr., Volume VI** Martin Luther King Jr., 2023-11-15 Dedicated to documenting the life of America's best known advocate for peace and justice The Papers of Martin Luther King Jr breaks the chronology of its series to present King's never before published sermon file In 1997 Mrs Coretta Scott King granted the King Papers Project permission to examine papers kept in boxes in the basement of the King's home The most significant finding was a battered cardboard box that held more than two hundred folders containing documents King used to prepare his celebrated sermons This private collection that King kept in his study sheds considerable light on the theology and preaching preparation of one of the most noted orators of the modern era These illuminating papers reveal that King's concern about poverty human rights and social justice was clearly present in his earliest handwritten sermons which conveyed a message of faith hope and love for the dispossessed His enduring message can be charted through his years as a seminary student as pastor of Dexter Avenue Baptist Church as a leader of the Montgomery bus boycott and ultimately as an internationally renowned proponent of human rights who saw himself mainly as a preacher and advocate of the social gospel Ten of the original and unedited sermons King submitted for publication in the 1963 book *Strength to Love* and audio

versions of King's most famous sermons are the culmination of this groundbreaking work Dedicated to documenting the life of America's best known advocate for peace and justice The Papers of Martin Luther King Jr breaks the chronology of its series to present King's never before published sermon file In 1997 Mrs Coretta Scott King
