The Believers Conditional Security:

The Believer's Conditional Security Daniel D. Corner, 1997-08-01 **The Believer's Conditional Security** Dan Corner, 2021-03-17 *Across the Spectrum* Gregory A. Boyd, Paul Rhodes Eddy, 2002-06-01 Evangelical thinkers in recent years have thrust differing and sometimes nontraditional views on the doctrine of God the composition of the human person and the nature of hell into the spotlight *Across the Spectrum* written by Bethel College theologians Gregory Boyd and Paul Eddy offers a service to the church by carefully examining the various positions taken by evangelical scholars on eighteen seminal issues both classic concerns and those of more contemporary interests Rather than taking sides however the authors give readers the resources they need to make up their own minds Among the many topics discussed are baptism the nature of the self the foreknowledge and providence of God the interpretation of Genesis 1 2 the destiny of the unevangelized and the nature of hell In the spirit of the popular four views books Boyd and Eddy carefully lay out the biblical theological and philosophical arguments for each position and then discuss possible objections Each chapter also includes a bibliography A helpful appendix touches on nine additional issues *Across the Spectrum* will surely be an indispensable resource for students professors pastors and anyone who wants to make sense of the issues facing today's church Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith **Saved and Sure, Safe and Secure** John David Martin, 2020-11-09 Have you ever found yourself involved in a conversation about the idea of once saved always saved one

that turned into a religious argument Saved and Sure Safe and Secure seeks to demonstrate from the Scriptures that a born again Christian once saved can have assurance that he or she is saved and safe for eternity Writing in simple terms and plain language in order to communicate Bible doctrine to the average person author John David Martin affirms the doctrine of eternal security of believers in Christ and addresses common objections to the teaching of once saved always saved Whether you believe in eternal security or think you can lose it Pastor Martin hopes to help you strengthen your faith and challenge your thinking on the subject Many religious people who believe in God and profess to know Christ as their personal Savior still struggle with doubts concerning their salvation If you are worried you can put your fears to rest this study can help Aiming to encourage and uplift believers this theological study explores the topic of eternal security analyzing the biblical truths that teach and reinforce the certainty of this concept

Built on the Sand Brian Black,2021-02-18 This book provides a new and thoroughly researched analysis to the problem of church growth Both sociological research and biblical evidence show that denominations which uncompromisingly stand for their beliefs grow Long term growth accordingly demands strictness and emphasizes theological differences Evidence of evangelical decline is charted over the last several decades While much of the book will focus upon the Holiness Movement to exemplify the difficulties faced by modern conservatives the scope is broadened to include all evangelical groups Similar factors which caused mainline churches to begin shrinking in the 1960s are causing the decline of evangelical churches today history is simply repeating itself The concepts in this book give insight to the problem by placing church growth in a proper sociological and scriptural framework Along with scientific growth concepts much of the book applies biblical principles from the New Testament and relates how the mega church philosophy has not only undermined the foundation of many Christian values it has also begun causing growth to collapse The church in America is dying and unless biblical foundations are restored the American church will soon crumble into nothing more than a footnote of history

The Wesleyan Holiness Movement: Parts I-III Charles Edwin Jones,2005 *Salvation Reveals the Believer's Security* Kenny R. Medlin,2011-07-01 A self study guide and commentary reviewing the Eternal Security and Conditional Security of the Believer The book takes a pathway from the time before the beginning through the Old and New Testament of the Bible examining the whole context of the Bible in conjunction with individual verses Emphasis is on prayer and meditation as the reader is provided the scripture plus personal commentary thus allowing the reader to conclude their own belief regarding their soul s security with God The core of this study will begin by understanding God s desire for his friendship with Adam and the results when Adam chose to not honor that friendship The Bible in its entirety is the recorded history of all the events that transpired as God through Christ prepared a pathway that would allow mankind to regain their friendship with God The focus will be directed at the whole of the matter instead of simple comparison of individual verses done in order to bring the context of the verse into harmony with the entire Bible In completing this task the pathway established by Christ to obtain harmony will God should enlighten your heart to the

knowledge of the truth This is a semi chronological presentation of the scripture for personal edification and knowledge of the Believer We will even tackle the subject of Judas Iscariot was he saved and fell from Grace never saved at all or is there another conclusion to consider Remember all verses and passages present a truth but our interpretation of one must harmonize with the whole Bible or our conclusion is incorrect If you stare at a Tree you will miss the glory of the Forest but we need not understand the Forest completely as the pathway leads to our desired destination regardless of our understanding
