**Bodily Changes in Pain, Hunger, Fear and Rage - An Account of Recent Researches Into the Function of Emotional Excitement (1927)** Walter B. Cannon, 2013-01-03 Fear rage and pain and the pangs of hunger are all primitive experiences which human beings share with the lower animals These experiences are properly classed as among the most powerful that determine the action of men and beasts A knowledge of the conditions which attend these experiences therefore is of general and fundamental importance in the interpretation of behaviour Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

**The Macedonian Front, 1915-1918** Basil Gounaris, Michael Llewellyn-Smith, Ioannis Stefanidis, 2022-03-31 The Macedonian question has been much studied in recent years as has the political history of the period from the Balkan Wars in 1912-13 to the Treaty of Lausanne in 1923 But for a variety of reasons connected with the political division of Greece and the involvement of outside powers the events at and behind the Macedonian front have been side lined The recent commemorations of the centenary of the end of the First World War in the UK illustrate how by comparison with the enormous and moving emphasis on the western front Macedonia has been not wholly but largely ignored This volume illuminates this comparatively neglected period of Greek history and examines the strategic and military aspects of the war in Macedonia and the political social economic and cultural context of the war

**Changing Faces** Darrel Dabbs, 2012-06 I came into this world Sean John Marshall I am twenty seven years old and was born and raised in Colorado Springs Colorado I am a fine artist author a proud father of one beautiful baby girl and an all around entrepreneur But all of my pursuits came to

an abrupt halt when I was consumed by a life of crime For so long I became a part of a problem Growing up in and around the streets I've caused much destruction in my lifetime I've been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life's focus is to inspire teach uplift and mend I now use life's experiences to grow and learn I feel obligated to pass on all the insight and knowledge I've obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I've seen darker truths that people need not witness themselves I've walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I've made I will have done my part I will have at least saved one soul from having to suffer the afflictions I've faced And for that reason alone I write And for that reason alone I'll forever share my truths
