The Best American Travel Writing:

The Best American Travel Writing 2015 Andrew McCarthy, Jason Wilson, 2015 A collection of the year's best travel writing

The Best American Travel Writing 2016 Bill Bryson, 2016-10-04 This collection gathers the best travel essays from The New Yorker, Harper's, GQ and more featuring Paul Theroux, Alice Gregory, Dave Eggers and others. Why do I travel? Why does anyone of us travel? Bill Bryson poses these questions in his introduction to The Best American Travel Writing 2016 and though he admits I wasn't at all sure I knew the answer, these questions start us on the path of some fascinating explorations. While the various contributors to this collection travel for different reasons, they all come back with stories. Whether traversing the Arctic by dogsled, attending a surreal film festival in North Korea, or strolling the streets of a fast-changing Havana, some of today's best travel writers share their experiences of the world and the human condition, offering if not answers, then illumination and insight.
