The Bible And Its Readers

Didier Musso

The Bible And Its Readers:

The Gospel of Matthew and Its Readers Howard Clarke,2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship s mainstream view of Matthew s Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew s readers rather than back to the text s composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew s messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible

Cleansing The Biblical Mind Rimituel Bleton,2018-05-29 This book seeks to show some of the harm of the Bible It is meant to assist those who have been mentally harmed by reading the Bible Some of the harm this book evaluates pertains to the Biblical tree of knowledge of good and evil Some of the harm this book evaluates pertains to the different entities who are referred to as God through the Bible This version of this book contains White text with a Black background

The Holy Bible ,1889 *An Old Testament Commentary for English Readers: Deuteronomy, Joshua, Judges, Ruth, Samuel* Charles John Ellicott,1883

Between Philosophy and Religion: Hermeneutics and ontology Brayton Polka,2006-01-01 In Between Philosophy and Religion Volumes I and II Brayton Polka examines Spinoza s three major works on religion politics and ethics in order to show that his thought is at once biblical and modern This book and its companion volume are essential reading for any scholar of Spinoza
