*Pleased to Meet You...* Robert Roselli, 2016-05-06 I am everywhere yet I am nowhere I dont exist yet I rule the world I am known as The Great Geometer and Architect of the Universe yet I am the author of chaos I have no name but I take after my mother a woman of 10 000 names who was never born I am the Angel of Light but also the Prince of Darkness I live in the shadows and remain silent but speak to you every single day I am your friend and want nothing more for you than to share in my eternal torment Nobody can see me yet I am hidden in plain sight I am Columbia and sunrise in the east and Occidental and sunset in the west I tell the truth yet it is still a lie I am 44 And I am VERY pleased to make your acquaintance The Model of Revelation Knowledge B. J. Sifon, 2022-11-03 Have you ever wondered what you were before you were born or what will happen after you dematerialize away in death from this physical dimension Quite often one part of your mind tells you that after you die you are going to be judged by God and after the judgment you will spend the rest of your existence in an uncomfortable place called hell or a place of pleasure called heaven The question is how exactly did Christ define our existence To understand our true nature we have analyzed many important statements made by Christ concerning this issue This nature reveals our true identities in the spirit what we really are what we are capable of where we came from and where we're heading As spiritual individuals we have also tapped into the realm of the spirit by making it substantial to get answers not just to everything in existence but also to things unheard of In this record the author reflects on his spiritual identity
