Unlocking the Bible Story: Old Testament Volume 1 Colin S. Smith, 2016-12-01 For all who are wondering how the pieces fit into the jigsaw of God's revelation Colin Smith has provided an answer which is refreshingly simple biblically accurate and will prove phenomenally helpful to the serious Bible student and the new beginner alike Alistair Begg senior pastor Parkside Church In *Unlocking the Bible Story* Colin Smith moves gradually through portions of the Bible to explain how it all holds together He tells God's one grand story of salvation and reflects on major themes along the way In volume 1 he moves through the Pentateuch and Historical Books of the Old Testament which tell the story of God creating the world choosing a people for Himself and loving them despite their continued sin Includes the study guide formerly sold separately One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole but also is crucial for developing a Christian worldview Colin Smith has met these needs admirably I hope these volumes will circulate widely and be read and re read D A Carson research professor New Testament at Trinity Evangelical Divinity School cofounder of The Gospel Coalition
