The carnal days of Helen Seferis Alexander Trocchi, 1967 **Exiled in Paris** James Campbell, 2003-02 This is the first book to explore the English language literary scene in Paris after World War II including the intersecting lives of Richard Wright Samuel Beckett James Baldwin and Maurice Girodias **Young Adam** Alexander Trocchi, 2017-03-14 A compelling existential thriller by the Beat era writer Everyone should read Young Adam The Times Literary Supplement Young Adam tells the story of Joe a drifter who works on a barge traveling the Clyde River between Glasgow and Edinburgh As the novel opens Joe finds the corpse of a young woman floating in the water Was it an accident a suicide or murder As the police investigate and arrest a suspect it becomes clear that Joe knows far more than he is telling Originally published in 1954 Young Adam was made into a film starring Ewan McGregor and Tilda Swinton and is now reissued with an introduction by PEN finalist and literary critic David L Ulin This is a psychologically suspenseful novel and an absorbing portrait of a haunted man from an iconoclastic Beat writer praised by the New Yorker for prose that is always clean and sharp and often ferociously alive with poetry and called the most brilliant man I ever met by Allen Ginsberg Trocchi may be the greatest unknown writer in the world The Bloomsbury Review **British Avant-Garde Fiction of the 1960s** Kaye Mitchell, 2019-01-22 This collection brings together a selection of original research led essays on more than a dozen avant garde British writers of the 1960s revealing this to be a crucial and crucially overlooked period of British literary history

Performance: The Biography of a 60s Masterpiece Paul Buck, 2013-01-18 A thorough analysis of the making of the film featuring original interviews with those involved How Performance came about and the involvement of key players such as James Fox who journeyed into the criminal underworld and how real gangsters were involved in the research for the film Reveals how Marlon Brando was originally considered for the role of Chas The various conflicts and intrigues that arose during filming how the film was edited the censorship pressures the unseen footage and how it eventually made its way to the big screen Critical reaction to the film and how it turned into a cult classic An overview of the careers to date of directors Donald Cammell and Nicolas Roeg **Uneasy Alliance** Hans Bak, 2004 Uneasy Alliance illuminates the recent search in literary studies for a new interface between textual and contextual readings Written in tribute to G A M Janssens the twenty one essays in the volume exemplify a renewed awareness of the paradoxical nature of literary texts both as works of literary art and as documents embedded in and functioning within a writer's life and culture Together they offer fresh and often interdisciplinary perspectives on twentieth century American writers of more or less established status Henry James Edna St Vincent Millay E E Cummings Vladimir Nabokov Flannery O'Connor Saul Bellow Michael Ondaatje Toni Morrison and Sandra Cisneros as well as on those who for reasons of fashion politics ideology or gender have been unduly neglected Booth Tarkington Julia Peterkin Robert Coates Martha Gellhorn Isabella Gardner Karl Shapiro the young Jewish American writers

Julia Alvarez and writers of popular crime and detective fiction Exploring the fruitful interactions and uneasy alliance between literature and ethics film biography gender studies popular culture avant garde art urban studies anthropology and multicultural studies together these essays testify to the ongoing pertinence of an approach to literature that is undogmatic sensitive and sophisticated and that seeks to do justice to the complex interweavings of literature culture and biography in twentieth century American writing

The Secret Record Michael Perkins, 1992 Perkins betoogt dat erotiek een kracht is die bijvoorbeeld ook spirituele capaciteiten weet open te gooien Auteurs van erotische literatuur verbeelden de transendentale energie van sexualiteit erotische literatuur is veel meer dan platte pornografie en de grenzen ertussen zijn vaag

Useless Activity Christopher Webb, 2022-07-01 Using a broad range of archival material from Washington University St Louis the University of Glasgow and the British Library Useless Activity Work Leisure and British Avant Garde Fiction 1960 1975 is the first study to ask why the experimental writing of the 1960s and 1970s appears so fraught with anxiety about its own uselessness before suggesting that this very anxiety was symptomatic of a unique period in British literary history when traditional notions about literary work and what worked in terms of literature were being radically scrutinised and reassessed The study is divided into five chapters with three of those dedicated to the close analysis of work produced by three writers representative of the 1960s British avant garde Eva Figs 1932 2012 B S Johnson 1933 1973 and Alexander Trocchi 1925 1984 The book argues that these writers preoccupations with concepts related to work such as leisure debt and various forms of neglected labour like housework allow us to rethink the British avant garde s relation to realism while posing broader questions about the production and value of post war literary avant gardism more generally Useless Activity proposes that only with an understanding of the British avant garde s engagement with the idea of work and its various corollaries can we appreciate these writers move away from certain forms of literary realism and their contribution to the development of the modern British novel during the mid twentieth century
