*The Carnal Prayer Mat* Yu Li,1990 In the three hundred years since its initial publication Li Yu's *The Carnal Prayer Mat* has been widely read in China where it is recognized as a benchmark of erotic literature and currently enjoys the distinction of being a banned in Beijing classic The story centers on Scholar Vesperus a handsome orphan and student of Zen Before taking his monastic vows Vesperus embarks on a career of licentiousness His adventures as hero of the boudoir a champion of sex take both comic and calamitous turns until eventually he attains enlightenment on the carnal prayer mat *The Carnal Prayer Mat* Yu Li,1990 ***Carnal Prayer Mat (Revised)* Yu Li,1996-04-01** ***Rou Putuan* Yu Li,1990** *The Carnal Prayer Mat* Yu Li,1995-05-01 ***Jou Pu Tuan* Yu Li,1966** ***The Scholar and the State* Liangyan Ge,2015-01-01** In imperial China intellectuals devoted years of their lives to passing rigorous examinations in order to obtain a civil service position in the state bureaucracy This traditional employment of the literati class conferred social power and moral legitimacy but changing social and political circumstances in the Ming 1368 1644 and Qing 1644 1911 periods forced many to seek alternative careers Politically engaged but excluded from their traditional bureaucratic roles creative writers authored critiques of state power in the form of fiction written in the vernacular language In this study Liangyan Ge examines the novels *Romance of the Three Kingdoms* *The Scholars Dream of the Red Chamber* also known as *Story of the Stone* and a number of erotic pieces showing that as the literati class grappled with its own increasing marginalization its fiction reassessed the assumption that intellectuals proper role was to serve state interests and began to imagine possibilities for a new political order The open access publication of this book was made possible by a grant from the James P Geiss and Margaret Y Hsu Foundation ***Rulin waishi and Cultural Transformation in Late Imperial China* Shang Wei,2020-10-26** *Rulin waishi* *The Unofficial History of the Scholars* is more than a landmark in the history of the Chinese novel This eighteenth century work which was deeply embedded in the intellectual and literary discourses of its time challenges the reader to come to grips with the mid Qing debates over ritual and ritualism and the construction of history narrative and lyricism Wu Jingzi's 1701 54 ironic portrait of literati life was unprecedented in its comprehensive treatment of the degeneration of mores the predicaments of official institutions and the Confucian elite's futile struggle to reassert moral and cultural authority Like many of his fellow literati Wu found the vernacular novel an expressive and malleable medium for discussing elite concerns Through a close reading of *Rulin waishi* Shang Wei seeks to answer such questions as What accounts for the literati's enthusiasm for writing and reading novels Does this enthusiasm bespeak a conscious effort to develop a community of critical discourse outside the official world Why did literati authors eschew publication What are the bases for their social and cultural criticisms How far do their criticisms go given the authors alleged Confucianism And if literati authors were interested solely in recovering moral and cultural hegemony for their class how can we explain the irony found in their works ***Great Books of China* Frances Wood,2017-09-07** Discover or rediscover the major achievements of

Chinese culture and civilization Great Books of China offers concise introductions each of them accompanied by generous quotation in English from the book in question to sixty six works in the canon of Chinese literature The books chosen reflect the chronological and thematic breadth of Chinese literary tradition ranging from such classics as The Book of Songs and the Confucian Analects through popular dramas and novels The Romance of the Western Chamber The Water Margin twentieth century political and biographical works Quotations from Chairman Mao the autobiography of the last emperor and modern novels that are little known in the West Memories of South Peking Six Chapters from a Cadre School Life Frances Wood presents a comprehensive accessible and richly informative primer for the uninitiated a box of delights that opens up an entire literary culture to the inquisitive reader

**After Confucius** Paul Rakita Goldin, 2005 After Confucius is a collection of eight studies of Chinese philosophy from the time of Confucius to the formation of the empire in the second and third centuries B C E As detailed in a masterful introduction each essay serves as a concrete example of thick description an approach invented by philosopher Gilbert Ryle which aims to reveal the logic that informs an observable exchange among members of a community or society To grasp the significance of such exchanges it is necessary to investigate the networks of meaning on which they rely Paul R Goldin argues that the character of ancient Chinese

philosophy can be appreciated only if we recognize the cultural codes underlying the circulation of ideas in that world Thick description is the best preliminary method to determine how Chinese thinkers conceived of their own enterprise Who were the ancient Chinese philosophers What was their intended audience What were they arguing about How did they respond to earlier thinkers and to each other Why did those in power wish to hear from them and what did they claim to offer in return for patronage Goldin addresses these questions as he looks at several topics including Creeds, Rites and Videotapes Elise Anne DeVido, Benoît Vermander, 2004 Chinese Literature, Essays, Articles, Reviews, 2007 **A Study of Song Hui-lian and Her Symbolic Function in Jin-Ping-Mei** Robert Yi Yang, 1983 **Bringing the World Home** Theodore Hutters, 2005 This original and probing work traces the most significant strands of the new post 1895 discourse concentrating on the anxieties inherent in a complicated process of cultural transformation It focuses principally on how the need to accommodate the West was reflected in such landmark novels of the period as Wu Jianren's *Strange Events Eyewitnessed in the Past Twenty Years* and Zhu Shouju's *Tides of the Huangpu* which began serial publication in Shanghai in 1916
