

Erle Stanley Gardner is the best known, best selling mystery writer in the world today. In private life, Mr. Gardner takes crime as seriously as his lawyer-detective hero, Perry Mason. A brilliant trial lawyer himself, he has made a personal study of the latest scientific developments used in crime detection, and was the prime mover behind the famous Court of Last Resort, which was among the first to try and convict persons unjustly convicted of murder.

Gardner is an expert on detection and an expert photographer—his travel articles and his love of the wide open spaces are almost as legendary as his mysteries.

For fans of this writer, Erle's complete list of books in the Perry Mason series is available.
