Jimbo can commence his CLD banking business in Catland While commencing business Jimbo encounters several problems such as collecting on loans made and there is also a run against the bank then there are marriages the CLD way where the husband and wife exchange their lives here they are warned that one of them may be left hanging at the altar if the love of any one of them is not genuine Then there is the question of using the CLD on lions and tigers all belonging to the cat family Finally the story ends when the CLD gets lost and how it is recovered using the services of ace cat detective Merlock Jones

Oldfield Howey,2003-01-01 The cat has symbolized a host of concepts good and evil light and darkness religion and black magic This intriguing book traces the history of these fascinating creatures from vampire and clairvoyant cats to cats in heraldry as sacrificial objects and idols of secret sects Includes 50 black and white illustrations **The Cats in Our Lives** James Mason,1949 **Mouse vs. Cat in Chinese Literature** ,2019-03-18 In literatures worldwide animal fables have been analyzed for their revealingly anthropomorphic views but until now little attention has been given to the animal tales of China The complex competitive relationship between rodents vilified as thieves of grain and the felines with whom they are perennially at war is explored in this presentation of Chinese tales about cats and mice Master translator Wilt Idema situates them in an overview of animal tales in world literature in the Chinese literary tradition as a whole and within Chinese imaginative depictions of animals The tales demonstrate the animals symbolism and their unusually prominent and verbal role in the stories These readings depict cats and mice in conflict in marital bonds and in litigation most centrally in a legal case of a mouse against a cat in the underworld court of King Yama Many of the stories adopt the perspective of the mice as animals merely trying to survive while also recognizing that cats are natural hunters This entertaining volume will appeal to readers interested in Chinese literature and society comparative literature and posthumanist consideration of human animal relations **The Cat-a-logue**
