The Child Stealer:

The Child Thief Dan Smith, 2012-05-10 This is a pursuit thriller of the highest quality reminiscent of the classic of the genre Geoffrey Household's *Rogue Male* Irish Independent Both an engrossing thriller and the story of a man struggling in the grip of historical events that he only partially understands Sunday Times In the snow death is not the coldest thing waiting for you From out of the whiteness a dark figure comes December 1930 Ukraine After the horrors of war Luka wants a quiet life with his family His village has so far remained hidden from the advancing Soviet brutality but everything changes the day a stranger arrives pulling a sled bearing a terrible cargo the bodies of two children When the villagers fear turns deadly they think they have saved themselves And then a little girl vanishes Luka is the only man with the skills to find the stolen child in these frozen lands And though his toughest enemy is the man he tracks through the harsh winter landscape his strongest bond is a promise to his family back home

The Child Thief Brom, 2009-08-25 The acclaimed artist Brom brilliantly displays his multiple extraordinary talents in *The Child Thief* a spellbinding reimagining of the beloved Peter Pan story that carries readers through the perilous mist separating our world from the realm of Faerie As Gregory Maguire did with his New York Times bestselling *Wicked* novels Brom takes a classic children's tale and turns it inside out painting a Neverland that like Maguire's *Oz* is darker richer more complex than innocent world J M Barrie originally conceived An ingeniously executed literary feat illustrated with Brom's sumptuous artwork *The Child Thief* is contemporary fantasy at its finest casting Peter Pan the Lost Boys even Captain Hook and his crew in a breathtaking new light

Peter Pan Reimagined. A Comparison of Brom's The Child Thief and J. M. Barrie's Peter Pan Franziska Schweitzer, 2016-06 What does Avalon have to do with Neverland Why are the children the only humans who can use Avalon's magic What are the differences between J M Barrie's *Peter Pan* and Brom's *Child Thief* Brom wrote a haunting reimagination of a book that is still one of the most important for children Yet *The Child Thief* is not a book designed for children There is a great difference between the flying boy in Barrie's original and Brom's Peter This poses the question which traits of the original Peter Pan did Brom use as they were and which ones did he give a twist Every change that Brom made has implications that go beyond a simple adaption to our modern taste Since *The Child Thief* also does not follow Barrie's *Peter Pan* concerning the storyline or the narrative style the formerly posed question encompasses therefore the whole *The Child Thief* This treatise aims to answer these questions and to give an outlook on possible further research
